**???**

Ava, Ava, Ava.....no. How dare she put her feet on Malones neck, yet she's telling half truths. Leah need her butt kicked for how she's treating poor Maia. I don't know who I dislike worse, her, Prince Sr, or Rashad. Charmaine is a great friend to Ava, I just feel like there's something she's not being told by Ava about Rashad. I think Bryson will be good for her. I'm on the fence about Santanna. #teamMalone #teamBryson

### **Review**

Now that Malone knows the truth, what is his next move going to be?

Her nasty father needs to be locked up with the criminals he sent to jail. Aleah needs to be handcuffed right along side of him.

## **Regina Farris says**

This book was really good... lots of baby mama drama up in here... Then is all the secrets... Man I just could not stop reading... This book had me from page one then the storyline just kept building and building all the way to the end then this cliffhanger was dropped on me...

I can't believe what Ava had to go through... This poor girl right here.... She had to give up the love of her life just to save him then the things that were being done to her... So I guess her being away at college was the only thing that saved her from her torture... But being away for 4 years just long the only thing that helped her get through her emotional episodes was having her friend Charmaine with her... But now she wants the love of her life Malone back... And she is making that move to make it happen... But when she comes back there a lot of questions that she will need to answer... Will she be able to answer them all... Malone is that man... Well him and his brother Bryson... Things are going smooth... Life is good then one quick moment and his life changed... He froze up and could not believe his eyes... Then just that quick she was gone... With a little bit of digging he got the answer he has been waiting for... The love of his life Ava was really back... He could not wait he had to talk to her...

Their second encounter did not go as planned but definitely what they both wanted... Looks like things are picking up where they left off... But they both have some lingering secrets that need to be revealed... Ava only told a little bit but she also is still holding a lot more that needs to be said... Once Malone reveals his secret it almost breaks Ava... But they are able to get through that... but it is like no matter what something just keeps coming up between them... Just when things start going good for them and Ava has revealed to Malone more of her past... One simple statement separates them... And Malone stepped overboard with his reaction... Now it looks like everything he waited for has just slipped through his hands... And it doesn't look like there is any coming back from this... Not only that But now Ava has more secrets and her family has secrets that are about to come out...

Man so much more of this story to look forward to... I can't stand Ava's father... He really needs to be handled... How has he gotten away with the things that he has done for so long... What will happen now that Malone has this new information presented to him... How will Ava handle her current situation... Man I can't wait for part 2... please bring this out soon...

#### **Ava and Malone**

I need Ava and Malone to get right because I like them together. I wonder if Judge Prince is the reason she didn't tell the last secret. Judge Prince and Leah are one of a kind and I can't wait for them to get what they deserve for how they're handling things. I'm surprised none of the Judge's secrets have began unraveling. Charmaine is a great friend and I love the friendship she's building with Bryson. Hopefully part 2 will be out soon because Ava has to own up to her betrayal as well and learn she can't be so hard on Malone when she hasn't kept it real as well. #839

AVA... WAS HONESTLY, EXCITED TO MOVE BACK HOME, SHE HATED TO LEAVE HER BEHIND. CHARMAINE YOU KNOW IT'S ALREADY HARD AS HELL LEAVING YOU BEHIND. AVA & CHARMAINE HAVE BEEN INSEPARABLE SINCE THE DAY THEY LAID EYES ON EACH OTHER FOUR & A HALF YEARS AGO ON FRESHMAN MOVE-IN DAY. THEY FINESSED OUR WAY INTO BEING ROOMMATES IN THE DORMS AND SOPHOMORE YEAR, WE MOVED INTO A CONDO TOGETHER WHERE WHERE THEY HAVE BEEN THE LAST THREE YEARS.

MALONE...

DAMN, BITCH, NO TEETH... KAT WAS STRUGGLING TO SUCK MY DICK. YOU DON'T WANT ME TO FINISH BABY. SHE DROPPED HER HEAD & OPENED THE DOOR & STEPPED OUT & BENT DOWN LOOKING BACK INTO MY CHALLENGER BUT BEFORE SHE COULD SAY ANYTHING, I STEPPED ON THE GAS & LOOKING IN THE REAR-VIEW MIRROR AS SHE STOOD THERE WITH HER HANDS FOLDED OVER HER CHEST, MAD.

#### **A MUST READ**

This is my first read by this author, but definitely not my last. Held my attention from beginning to the end and what a ending. It kept getting better and better that I couldn't put it down.....a page-turner. Enjoyed the storyline, plot and these characters. Well written and flowed at steady pace. Characters were very well developed, realistic and believable. Ava, had endured so much and return home to reunite with her true love. But things have changed after 4 years, Malone has a daughter. His baby mommas Aleah has some secrets of her own. This book is full of drama, lies, deceit and secrets. Throw in all the twist and turns made it a great read. Ava, so called father the Judge is full of surprises and none of them good, can't wait until he's exposed. Someone has in in the the Malone, Bryson and their father and I'm sure the Judge is involved. Really liking Char and Bryson together. After that ending I can't wait to see what's next for Ava and Malone. Highly recommend this book and Sym English, you've gained a new fan. Job well done.
