Your awesome year ahead - Align with the astral vibe to maximise your prospects and minimise the downside.

Pisces is the most misunderstood sign of the Zodiac but in 2018 any underestimation of the Fish would be a grave mistake. Your prospects in all realms are outrageously better than ever.

You need to align with the astral vibe to maximise your prospects and minimise the downside. Presented month by month for easy reference, your sun sign horoscope for 2018 serves as a timing guide, inspiration and your source of cosmic 'insider info'.

Explore your prospects for Vitality, Prosperity and Romance. Plan your year ahead with the ultra-useful Strategic Dates Scheduler. Use the Power Moons section to collaborate with the celestial vibes of New Moons, Full Moons and Eclipses.

Mystic Medusa is a unique astrologer and writer with a global following of people who want to self-actualise—not stagnate—in 2018. Her horoscopes are pragmatic and informed by her fresh take on the natural genius of each Sun Sign.
