Ouran High School Host Club, Vol. 14 Bisco Hatori

In this screwball comedy, Haruhi, a poor girl at a rich kids' school, is forced to repay an \$80,000 debt by working for the school's swankiest, all-male club--as a boy! Then she discovers just how wealthy the six members are and how different the rich are from everybody else.

Hikaru has asked Haruhi to go out with him, but he doesn't want her answer right away. Yet at the same time, he's trying to get Tamaki to realize he's in love with Haruhi too. Is the Host Club prepared for a love triangle among its members?

Daphne says

[I'm glad Hikaru knew Haruhi well enough that he explained exactly what he meant when he asked Haruhi out. She's too dense! And I felt so sad for him when he was turned down! He looked crushed. And I loved how he accepted Haruhi's answer and didn't get angry wit

Veera-Kristiina Pirilä says

Huh! Oikein kidnappauskin, vaikka olikin vähän väärä hälytys. Kiinnostaa kyllä nähdä, kuinka asiat kehittyvät. Olen edelleen hieman hämilläni, enkä tiedä tarkalleen mitä ajatella kaikesta mitä tapahtuu. Haruhin käytös on kyllä muuttunut, mutta en siitäkään oikein osaa sanoa vielä juuta enkä jaata.

Miss Ryoko says

Well... the kidnapping storyline was a bit annoying. It always happens in these types of mangas. It's so over done and the fact that it was super random and really only served one (stupid, in my opinion) purpose, I was a bit over it.

The rest of the volume was okay though. Mori is a stud!

Laura says

This was such a good volume. Hikaru is very considerate of the people around him. Though he wants to be with Haruhi, he doesn't want to pursue her in a way that would be unfair to her or Tamaki. He knows Tamaki has feelings for her, even if he hasn't come to terms with them yet. Now he's worried she may have feelings for him too. But he's not giving up so easily. I'm glad that he's doing something for himself, but I'm also glad that he's helping Tamaki grow up a little. Tamaki has been clinging to his vision of the Host Club as a family for too long. He needs to have that kind of bond because of his own broken home. He doesn't realize that it doesn't matter whether they're family or friends, they have a bond and it's not going to break easily. Now it's time for him to think about what that really means, and how he truly feels about Haruhi. I think Megumi's arrival really shows that to him.

This volume really kept to that theme throughout, which is unique. Usually, there's one or two chapters that

are humorous filler. There are some other interesting things in the works though. I'm curious about the Suoh's lawyer. Kyoya has a good eye. I love the cunning personality of his character. This series is just getting better and better. I have the next volume on reserve at the library so it will be up soon.

Mandee says

Haruhi rejects Hikaru but he won't give up. Even so, he encourages Tamaki to realize his true feelings, let go of the "family" image he has of the host club and pursue his interests because their bonds will last beyond the chaos of a love triangle...polygon?

Tamaki matures some more, the twins continue their pursuit of improvement and Haruhi, Haruhi gets kidnapped but has compassion on her perpetrators. A girl arrives, seemingly fulfilling the role of Tamaki's ideal Haruhi. However, behind her idealistic adoration of Tamaki, is a broken girl not unlike Tamaki himself.

Kelsey Hanson says

Well that escalated quickly. I pretty much called the outcome for the whole Haruhi/Hikaru moment (along with probably most other readers). I will say I was not expecting the kidnapping and I love the other members' of the host club perfectly logical reaction to Tamaki when he described his theories as to why.

Sesana says

Mori's silent short at the end is the best part of this volume, but it's a solid entry all around. I especially like how maturely the romantic conflicts are treated. There's a love triangle, sure, but it's done without vilifying any of the characters, or setting any of them at odds over it. Who would have thought that a silly series like this could handle a love triangle so well?

Evelyn says

Hikaru confesses to Haruhi which forces both Haruhi and Tamaki to truthfully think about their feelings. Haruhi gets kidnapped and Tamaki takes a good look at his past after his Dream Haruhi shows up out of the blue.

All of the characters are growing up so quickly.

This series has 18 volumes.

Denise says

A Dream Haruhi appears! Will Tamaki fall for this new girl that looks like Haruhi but acts like his fantasy? Will Haruhi be forced to confront her feelings?

Things are getting more serious but even during a Very Serious Event there's silliness and people with big hearts and weird plans.

Danii says

That extra episode? Now that's the kinda content I am *fucking talking about*.

I fear that will be the last appearance of Piyo the chicken, but I'm glad at least that storyline had some kind of conclusion.

I love Mori and his stupid chicken more than anything else in the world.

Maud says

Interesting volume but I'm also looking forward to some more light hearted episodes haha! I also really would like Tamaki to realise his feelings (and act a bit on them) and Haruhi to accept hers and for the whole Host Club to be just happy... But that probably won't fill another 4 volumes so it won't happen (yet) haha! I really hope all the characters will be happy (except Tamaki's grandmother... She can fall face first in a pile of horse dung!). On to the next volume (can't believe I only have 4 left!!!)!

Maud says

Another great volume. Ouran always gets 5 stars with me. I love this series so, so much!!!
The special Mori chapter was too precious???

Flor says

Who doesn't love to see Mori with his kawaii animals?
