Mary says

A young woman whom has rebellion following her when she leaves home, comes back to get reacquainted with her family. Her life will also come into contact with an old friend, who not only helps her understand her father better, but will give her the room to solve her own spiritual issues. During that time, love will bloom even though she is not looking for it, and she will take another chance on God, love and family. A nice story.

Paula says

I guess I'm just getting tired of the same old same old with these books. The girl loves the guy, he loves her too, but both think the other doesn't. Blah blah blah

Kristina says

I loved this book. It had a great plot, and I could relate to the main character when it comes to being the baby in my family.

Becki says

5-21-09 I have read other Davis Landing books. However, I don't think I've read them all...or in order. They are very well written. Although I never got in the entire book taht Richard was a newly rededicated Christian. So I'm not sure where that on the back of the book comes from.

Judy says

Richard and Melissa's story was so good. As they all have been so far.

Looking forward to reading the last book "Christmas Homecoming" that will tie up all the loose ends of the mystery that has been happening since book 1.
