Speechless

I absolutely love these characters. Alerts Williams you have done it once again omg. I love Jazz and Ken together. Peter is a messy fellow and I hope they find out that he was the one to set the whole thing up. Yay Yay is still a jealous cold hearted female that's truly trifling in every way that you can imagine. There is something that isn't right about Lisa either. I hope everything turns out good for Stacy and Pastor G. Wow this author has truly amazed me once again but I wouldn't expect anything less that's just how talented she is.

K Nikki Waden says

Tishonna says

I was hoping this was the last part, but there is one more. This one was OK.

Lacrayshal Dalton says

I just think Yay should've been cut off since day one lol.... sister, friend, cousin, Idgaf!!!! (after reading this book I just want everything to come out in the open) As far as the lawyer, she is going to protect her son i know it!!!!!! wondering if diesel would ask for forgiveness though!!!!!!! 5star ALETA WILLIAMS WHEN THE MOVIES COMING OUT THIS WAY BETTER THEN HUNGER GAMES

This series is crazy. Will Jazz ever learn Yay Yay is not her sister/friend. I can't wait to read the final book to see what will finally happen.

More drama!

Definitely a good follow up to book three. There's so much going on! I hope Yay gets what she deserves, I hope Jazz and Ken can survive all this drama, and I hope Stacy is ok. Time for the next book.

Tonii Tonii says

very good

I actually liked part 4 better than the first three. I love Ken and Jazzy relationship. I'm mad that people keep fix, one with them though especially Jazzy. I'm hoping one day that her Yaya gets what she deserves. She is truly one grimy chick. On to part 5 to see what happens next.

Brittney Green says

Aleta has done it again! Can't wait to start part 5!
