## **Ash says**

Derek can write stories about anyone and everyone and they will all be as wonderful as the SkulDug series!  
More more more!!!

## **Chelsea Johnson says**

Funny and entertaining. This is a great short story that allows you a little insight into some of the lesser known characters in the world of Valkyrie Cain and Skulduggery Pleasant.

Scrutinous ends up in trouble and it's up to Valkyrie and Skulduggery to save him from sharks that only he can see! I love the way that Skulduggery so nonchalantly talks to China about fixing the symbols while Scrutinous is over in the corner drowning and staring a shark in the face.

I love the whole series!

## **Georgina Howlett says**

A really nice little short story that I really enjoyed. Geoffrey Scrutinous was a funny character, as always, and I found the story to be well-planned if not a little brief. The idea of a cursed pen and objects being only visible to the one affected was wonderful I thought. Now moving on!

## **Jesse says**

This was a great story! I love the cursed pen and the humor that accompanies even a dangerous situation.

---

## **Vickey Foggin says**

Valkyrie and Skulduggery eventually save Scrutinous from a curse, but it takes them a little while to work out how to do it.

---

## **Maggie says**

\*slowly becomes convinced that Skulduggery is an INTJ\* Obvious Fe (Valkyrie) vs Fi (Skulduggery) going on here.

## **Jerfus says**

I like Geoffrey Scrutinous, he might not be the most amazing Adept out there but he sounds like the kind of guy I'd befriend... still this story was just ok, sure, I laughed a couple times but it was not up to my expectations.
