**Trail of the Gunman** R. Cameron Cooke

A new novel from USA Today Bestselling author R. Cameron Cooke...

Elijah Jones is a man with a violent past ...

Setting out for the Arizona Territory, Jones seeks to escape his past and live a quieter, gentler life in the vast wilderness of the Mogollon Rim. But men who once made their living with the gun cannot simply walk away. In an untamed land teeming with Apaches and desperadoes, Jones finds himself unwittingly embroiled in a territorial war pitting him against new foes - and old ones...

Through showdowns on dusty streets to savage gunfights in the wild, Jones is dogged by the demons of his former life, and realizes he must face them if he ever hopes to leave the trail of the gunman far behind...

**Lynn Clark says**

**Ok not great.**

Ok not great. Started out good then got boring. I lost interest.  
Had to move on to a CJ Petit book, Gus or Chance are both good.

---

**Mike Heatherly says**

Good book.

---

**Gary L. Harter says**

**Not one of my favorite stories.**

Don't allow me to keep you from reading this book, it may be your favorite story. Dig in and read it for yourself.

---

**David says**

**Solid book**

Good character development and sets the scene well but not as fluid or captivating as Louis L'Amour. Worth reading when you have time

---

**Frank Evans says**

**Action and Deceit**

The story of gunfighters, Indians, and downright evil men is intriguing and fast-paced. Even the protagonist has his greedy side and makes us look inward. Treatment of men of the cloth and the indigenous tribes of the desert show the dark side of man. A good read that makes one want more.

---

**Jo Ann Brown says**

**I give it. A five star.**

The book was written at a good pace. As a book prior to this one it was a repeat of an account to every person he met.

Trail of the Gunman

is good written that kept my interest

**Barbara Lee Wood says**

### **EVERYONE DESERVES A SECOND CHANCE**

Another great adventurer of lives of people who helped settle the west. People who populated these parts brought with them many reasons why they all went west. This adventure will touch only a small percentage of reasons of setting in the Arizona area. GREED, GREED was this so called lawyer Martinique, who more or less owned the town. Everyone of importance such as the town's sheriff, judge, also he knew people in the Legislature who thought the same way he did, and besides as they ALWAYS say these people were bribed by Martinique for favors he needed in order to carry out his cheating, murders that were committed. You'll really enjoy this adventure and the outcome..

**Gerald Patch says**

**Very nice book!**

I had seen the ad or cover of this book in Amazon for quite some time, but always seemed to find one that suited my fancy more; some I never had the desire to even read over a small portion of. However, I finally could not find one I really thought I wanted to read so got this one. It was an excellent book and one I enjoyed immensely.

---

**Masina Lane says**

### **Gunman's Search**

This is a good Western with plenty of action and suspense. This is the first novel that I have read from this author.

---

**Steve Smith says**

**Very good**

I really enjoyed this book. Very good story and well written, lot of action but nothing overwhelming or unrealistic. Will read more of this author.

---

### **D. E. says**

#### **A Western of Old Spanish Gold Found in the Sangre de Cristo Mountains.**

RCC has written of a westerner who was a gunfighter who stumbled upon the bodies of 6 priest on the Mongollon Rim between Flagstaff and the Mexican border. He becomes involved in a search for gold. A woman knows the location of the gold. The Calvary, Outlaws, Indians and the 3 who know where the gold is located. This is an excellent read for the genre.....ER

### **Perry says**

#### **Good read**

Interesting story, not too long, and bad guy turns good, gets the girl as well as a reward at the end.

---

### **Terri Wobken says**

#### **Good read**

Started slow but kept getting better.I enjoyed the story line. Would read more of his books and recommend to others

---

### **Marjorie says**

#### **Good Book**

I enjoyed this story as it was educational and intriguing too. My mother was born in Magdalena, NM in 1904 and life was a lot different then and I am almost 80 it is hard to remember all the things she told me but she came to CA about 1920. We visited AZ & NM in the late 40's and later after I was married. So much historical facts to be learned.

### **larry brashear says**

#### **Outstanding!**

This tale, to me, is a true classic. Absolutely a fine nostalgic story of the old west. It is well written and edited with an adventurous plot.
