Dancer's Heart R.E. Butler

Adam Cruz has spent the last twelve years of his life wondering if he'd ever find his truemate. As a low-ranked omega wolf, with a body full of scars from a firebomb, he's had more than his fair share of trauma and shame. All he wants is to find his truemate and settle down, even though he wonders if his mate will care about his scars, or that he can't hunt as well as other wolves because of them.

As the only reindeer shifter in a bear den, Dancer Grayson knows what it's like not to fit in. When she runs into her truemate in the woods of Wilde Creek, she discovers that she fits right in with him. Adam's not ashamed to have prey as a mate, and she's not ashamed of his scars. Together, she's certain they can survive anything.

When Adam's gambling-addict dad hits him up for money and Adam refuses, his dad does the unthinkable, and Dani ends up kidnapped. What the kidnappers don't count on is that there isn't just a wolf pack looking for Dani, but her own kind. Can Adam get to her before she's harmed, or will she be lost to him forever?

Gwendolyn Thaggard says

Dani Grayson is a reindeer shifter, her herd was killed when she was young. She wandered into a bear sleuth, she was adopted and taken care of. Her adopted mother has been searching for years to find other reindeer shifters, but they are hard to find and stick to themselves. Her mother finally tracks down a herd and Dani and her brother, Row go looking for them. The two stop in Wilde Creek and both find their mates. Dani's mate is wolf shifter named Adam Cruz. Her brother and his mate return to the bear sleuth and Dani stays in Wilde Creek with Adam. There are some high and low points in Dani getting situated into pack life, making new friends, meeting the relatives, and finding her spot within the pack.

Omega And Prey Makes Perfect Sense

This is a fun and entertaining story about two people that are lucky enough to find each other while she was passing through on her way some place else. He's not the strongest or fastest wolf and she is a prey not a predator but they know that each other is perfect. Perfection is also in the eye of the beholder. Before their ending can be happy, there are circumstances that are going to try to tear them apart. Enjoy I did.

This was sweet but there's no angst at all. They find each other and love each other and are sweet to each other. There's no tension or misunderstandings. Even the obligatory "danger" sequence is handled relatively quickly.

But it is a sweet story with some hot scenes between a couple of very likable characters. Just don't expect a lot of intensity.

I am disappointed. I was looking forward to Adam's story and this boring recycling mess is what I found. Over half the story is just a rehash of accepting an outsider into the pack, Adam's back story, and a ridiculous amount of sickly sweet love. Then yet another kidnapping. Seriously!? Dull and Disappointing.

" Sweet, Charming, and Suspenseful! "

You will find any R.E Butler book is very worth reading!. Her books are so amazing they will have you

glued to the pages! The storyline for this book is heart warming yet suspenseful to. The characters are so unique and amazing!.

Adam is a wolf shifter only he is an Omega due to being burned as a child before he could shift. Sense he is low ranked and has terrible scars he wonders if he will ever find a true mate.

Dancer aka Dani is a reindeer shifter who was raised by a Bear shifters Dani's family and herd had been killed by coyotes. Her adopted Mother had been trying to find other reindeer herds so Dani could get to know others of her kind. They finally find some so Dani's adopted brother Row was taking her to meet them. On the way they stop in at Wilde Creek here Dani finds her true mate Adam. She does not mind his scars or rank!. Everything is going great till Dani is kidnapped!.

You will love this sweet,charming,suspenseful and steamy hot romance!. The way R.E writes you will fill like you are right there in the story with her characters!. This is a must read book!

Once more R.e has done it!!!!

Fast paced tory with lots of connection between her characters and the adrenaline surged through my blood. I found at times tiring the fact that some things were repeating over and over again but over all the story was a great one.

I wanted to see more of the deer herd and i wanted to see more of the pack and i wanted more but wanting and needing more is a constant with this series and R.e 's books....they are never enough!!!

I can't wait to see whats next!

Dancer's Heart

Wilde Creek Book 6

by R. E. Butler

?????????

There are Reindeer Shifters! OMG! I have been so excited and on pins waiting to read this book. This story heats up right from the beginning, it grabs your attention and you will be completely enthralled until the very last word. This is the six book in R.E. Butler Wilde Creek Series and a new favorite! Her books are so enjoyable to me and they let my imagination fly away to another world! I adore it! There is absolutely nothing I enjoy more than a magnificent book by R.E Butler to curl up in my favorite chair and read. I have never read a bad book by R.E. Butler. She is a writer that has the unique ability to be a gifted storyteller and her imagination and exceptional skills are obvious because she's very popular and continues to shine brightly with each story she writes. This story is sweet, fast-paced, thrilling, imaginative, exciting, passionate, scorching hot and romantic. The dialogue is witty, smart, sexy, well executed and it flows beautifully. Yes, the story is exceptionally well crafted, well written and well edited but it's the characters that will grab your attention and capture your heart. They are not only fascinating, captivating, engaging, endearing and sexy as all get out but also well developed and memorable. R.E. is exceptionally skilled at world building and character development.

Adam Cruz is a wolf shifter that was burned when he was too young to shift so he was left with scars all his body. Because of his scars he is an omega in the pack. But after his BF found his mate, Adam felt little jealous and then he felt guilty because he really like Jeremiah and Honey, but he wanted to find his own true mate but he has little fate that he has one.

Dancer Grayson (Dani) is a reindeer shifter who was orphan as a child, but she was found and adopted and loved by the Bears. Dani loved her bear family but she couldn't wait to find her true mate. Alice Dani Bear mom wanted her to meet some of her own kind. So she hired a PI to find a Reindeer herd. Then Dani and her brother Row set out to find them but fate step in and she found her true mate.

I highly recommend reading all of R.E. Butler books. It's one decision I'm sure you'll never regret. Her books are exciting, fast-paced, sexy and very entertaining. They are paranormal stories that's captivating with all kinds of danger, suspense, action, sweet romance and scorching hot sensual sex! WOW!

A heartfelt story.

I loved reading about Adam and Dani. They both overcome the obstacles in their lives. It was nice to see they have their happy ever after. I would recommend this book.

Shelley Chastagner says

This is a terrific follow-up to A Scarred Heart. I loved being able to see the counter part of what happened with Dani and Adam. Adam carries around scars that are both internal and out where everyone can see them. His crappy childhood has only made him a better man. Dani takes one look at Adam and see the real man; not the scars but the man. Her complete acceptance of all of him makes him strive even more to all that she needs. There are plenty of bad guys and new friends are introduced. The story line kept me turning pages and

I left the book with a smile.
Highly recommended author and series

I loved this book honestly I love adam character and dancers I love the love they show for each other even though adams an omega wolf and that status means he a low rank wolf plus the fact that he has burn scared on his body doesn't seem to bother dancers. She loves him for him I thought that was awesome I love how dancers character is funny loving and very protected of her mate adams I love how even though they go threw there ups and down there love remain true. I would highly recommended this great read to anyone. I received this copy for my honest review.

The Reindeer And Her Wolf

Dani is a rare reindeer shifter. She was raised by bear shifters when her family was killed. On a trip with her

brother to find other reindeer shifters Dani finds her truemate.

Adam is an omega in his clan. He never thought he would ever find mate, until he came across her in the forest.

The connection between them was instantaneous. Dani has found her new home with her mate and Adam has found a mate that only sees him and not his scars.

Adam's father is a gambler and offers Dani to his bookie to pay off his debt. Big mistake. Danis' kidnappers are about to learn what happens when you get between a wolf and his mate.

This story shows that the spark between truemates is like lightning. It strikes without warning and it's intense. It also shows the love and loyalty the pack have for each other and the depths they go through to protect each other.

Eva Millien says

He's had more than his fair share of trauma and shame and wondering if he'll ever find his truemate but Adam Cruz also wonders if his mate will care about his scars in this fantastic paranormal romance.

Dancer Grayson knows what it's like not to fit in but she discovers she's has no problem fitting right in with her truemate and the readers can't help but be captivated by Adam and Dancer as they both discover that together, they can survive anything. With sizzling chemistry, sweet romance and strong, vibrant characters, this well written, fast paced and smooth flowing plot holds readers captive from the very beginning but add in the adrenaline pumping excitement that results when Adams dad causes Dani to be kidnapped and some more wonderful shifters are introduced to the story and there is no way that I could put this story down once I began reading it.

My visit with Wilde Creek was another exhilarating experience that has me jonesing for more, so I can't wait for my next visit so I can find out whether Mia gets her man or not.
