Jake says

Mr Bronson can you read this

Gerald Hickman says

Great variety of stories and I especially like his detective stories. His horror stories are mild by comparison with today's but seem to be more dependant on the reader getting into the story and the reader creates his own depth of concern for the characters to create a sense of horror.

Sam Macera says

Poe, Complete Tales and Poems

Many Will find, as I did, what a wonderful sense of humor Poe has. He's not noted for it. Go

Rachel Sudweeks says

I loved it. Most of the stories were hilarious. The only story I found distasteful was The Black Cat.

Manvendra says

Fascinating short stories

It requires some patience to read the stories as they are slow and the English is old. But many of them are fascinating with elements of horror, mystery, awe and sometimes even bits of science.

Stories like 'The Black Cat', The Murders in Rue Morgue, The Tell-tale Heart, The Pit and the Pendulum, The Gold-Bug are must reads. The Narrative of Arthur Gordon Pym of Nantucket is a complete story about a voyage in a whaling ship and deals with mutiny, cannibalism.
