What happens when you find out that your whole life is a lie, and the people you love aren't who they say they are?

The last time Sanaa saw her husband, he was lying on the floor of their bedroom fighting for his life. Scared out of her mind, she skipped town and never looked back. Now, in Texas, the self-proclaimed bad girl is on the run for her life. It took some time to get adjusted to her new surroundings in the south, but she's finally started over and is enjoying the peace away from her hometown. That is until she finds out what happens after you run off on the plug twice.

Yaseer had a brush with death that would forever change his outlook on his precious Sanaa. Months after being shot and left for dead by his disloyal wife, he's left to pick up the pieces. Being the plug affords him certain perks in life, like having great reach. When he finally locates his wife and finds out how she's been living in Texas, he's forced to make a tough decision. One that could put a deadly end to the infamous saying "once the plug's wife, forever the plug's wife."

Now that the truth is out, lines have been crossed, and disloyalty is at an all time high. The plot thickens. What happens when the King and Queen of New York are reunited? Next move? Find out in Forever The Plug's Wife 2.

#### **Awesome**

I am so happy with the ending. I just knew something was up with Hakeem when he was letting Jaseer punk him out. Lol. Just happy that everyone got their happily ever after.

#### **Loved it!**

Loved this series from beginning to end. I'm glad that everyone got their happily ever after and it was nice to see drama without all the cheating

### **Latoya says**

#### **Real Love**

It can only be real love..... When you go after the person that shot you 12 time ..... And you still love her..... Love the story

### **Punkin says**

it was alright

### **DTP1908 says**

?????

I love when authors wrap everything up in two books. It wasn't drawn out or even rushed. Just all wrapped up neatly. I need a man like Yaseer...where can I find one in Atlanta?

### **Shirlyn says**

#### **To mama secrets**

Sanaa and Rhakeem's mom and dad deserved to die. What kind of mom allows a man to rape her child. I'm glad Yaseer sent them both to hell. And Brandi thirsty butt too.

### **Rashoda says**

#### **It ok**

I really am getting tired of reading books where everything a females do is frown upon but the male get to act silly and stay in their feelings. Sanaa reacted because women was talking smack and putting things out there for her to react physically. He was really mad she was talking to someone and trying to meet up with that someone who turned out to be him. He sitting there mad when in all actuality HE CHEATED. Went all the way with his, but she sitting there saying sorry. I just don't get how all books make women out to be so apologetic and thinking everything is there fault cause if their man. It's really sad that women write books like this constantly too. Ya man can catch a tantrum and shoot and kill someone for even saying hi.

You had an ok read, nothing really happened in the book for me. This book was a bunch of blame the wife for EVERYTHING!!

### **Christine mccullar says**

#### **Good read**

I'm glad everything worked out for them. I hate Aaron had to go thru that a young age. Now I understand what Yaseer did what he did. But who the stalker was blew me away. I didn't see that coming great series

**Keisha Garner says****Yeah!!!**

This is my ish baby. This was a great series. I loved the characters and the story line. Yaseer and Santa gave me life.

---

**Shana Carter says****Wow**

They had a lil drama but nothing major. Sanaa's mama didn't even know if she knew Yas killed her daddy. She was just gon kill her on GP but I thought they mama left to marry somebody who didn't want kids. I feel like Sanaa shouldn't went harder for her brother when Yas had that gun in his mouth

---

**Alfreda Hatton says****??**

I loved this series! KC Mills never disappoints! I never would have thought Sanaa's mother was the one causing problems. Great book

---

**QUERIA SMITH says****It was ok!**

The book was ok. But Yaseer was aggy af! It was predictable. Only thing shocking was her mother was the one calling her and the brother.

---

**Pam Smith says****Great book**

This was a really good book I'm glad the author didn't drag this out with another book. The book was well written I love me some Yaseer he was rough around the edges but not in a bad way. I love the love he had for Sanaa he would protect her at all cost nobody messed with what was his. Great job!!!!
