BREAK IN TWO (FULL HEARTS BOOK 1)

Thirty-one-year-old Claire Hatley is running from Seattle having just discovered that her live-in boyfriend has traded her in for a twenty-two-year-old hostess. Devastated and alone Claire must make a fresh start. Common sense tells them to stay away from each other, but their attraction is not to be denied. He gives her a glimpse of what love should be, but just as she starts to trust him, the past comes back to tear them apart.

Join Claire and Cole as they embark on the stormy love affair of a lifetime.

DON'T LET GO (FULL HEARTS NOVELLA 1.5)

Readers fell in love with Ben and Alicia's picture-perfect marriage in BREAK IN TWO, but, for these two, the road to a happy ending hasn't always been smooth. DON'T LET GO is a sweet, sexy short read and is best enjoyed after BREAK IN TWO and before BREAKING LOVE.

BREAKING LOVE (FULL HEARTS BOOK 2)

Luc Chevalier is a satisfied man – or so he thinks. His businesses are thriving, he has all the excitement, money and beautiful women any man could want. He dines at the best restaurants and stays at the most luxurious hotels as he makes his way around the globe. So why does he suddenly find himself so restless? Megan Sullivan is a single mom with a rather ordinary life. She is comfortable with things just the way they are. She has a six-year-old son, Elliott, a cozy house in Boulder, Colorado, and a photography business to put food on the table. Her ex lives hours away in Florida, providing enough space for him to feed his drug addiction without exposing Elliott to his father's illness. Megan is on her own, and she intends to keep it that way.

Megan is convinced by her best friend to take a trip to Paris for a few days. Little does she know she is about to be thrust into the arms of Luc Chevalier, the sexiest man to ever set foot on the Eiffel Tower. They agree to one night together and no more. In those few short hours, he manages to draw out the passionate woman that Megan has carefully hidden away for years. Once she has a taste of what she's been missing, she finds it

almost impossible to go back to her life as it was.
Will two people who don't believe in happily-ever-after
manage to put aside their doubts and find their forever?
Join Luc as he discovers that everything he never wanted is
the only thing he will ever need.

BREAKING CLEAR (FULL HEARTS BOOK 3)

Diana L. Matranga says

Red hat queen

These books were fantastic. I loved all the characters. Cole and Hillary, Ben and Alisia, Luc and Megan, and Evan and Harper. I enjoyed how they all got together and fell in love. You are a great writer.

Alice says

Very good romance novels. Good to follow the characters in the next books.

Karen Davis says

Loved this entire boxed set!

It's easy to forget that those who are wealthy, those who are career driven, and those who fall from grace, have one thing in common....fear. They all fear love, hurt and the unknown. MJ Summers has done a marvelous job blending characters and their stories for each book. By doing so, MJ has reminded us that regardless of our backgrounds or our current situations, we are all the same deep within. HAPPY READING EVERYONE!!

Always kept me interested, I couldn't put it down. I fell in love with the character's, and looking forward to the next book.

Janice Rose says

Romance!

A sweet compilation of stories that are filled with a lot of love and people finding themselves in the search for it. A cozy HEA bunch of stories with good character builds.

Mary Stockwell says

Outstanding

I have loved reading every book in this series. It's a great bargain. The characters all carry over and intertwine in very clever ways. Well written.

Tina Nickelson says

I'm not a big fan of cowboy type story lines but this one drew me in and I have enjoyed reading it!

Bridget says

Too much drama

If you like drama, this is the book for you. I personally don't like it. I got 4 free books but will not be reading the other 3.

I gave it a 3 because the sex scenes were great and I did laugh. I don't want to give anything away but I do want to say that some of the things that started the drama were just goofy.

DawnMarie Carpintero says

5 Series Stars

I was graced with reading these books each by the author and then went back and read them as they began.

Each book will have you gasping so much that you will not know what has hit you. Each character brings so much love to the table with a hint of spice that will have you screaming.

I have loved this authors works from the first and will continue to do so in with future books. She is an inspiration to us all.

Great Summer time read or cuddly read.

Happy Sexy Reading

Must Read Series!!!

I loved all of these books, I read each of them individually as they were released and these are my combined reviews....

Break in Two – Holy Hot Cowboy!

This was a great story! It had the sexy cowboy and no cliffhanger --what more can you ask for....lol. Seriously, I really enjoyed reading Claire and Cole's story. Great job Ms. Summers!

Breaking Love -- Holy Sexy Frenchman!!!!

I first read Break in Two a long while ago and unfortunately for me, I kinda forgot about this awesome series -- I know, right?! what was I thinking!!! Well a couple months ago I was given the opportunity to read Breaking Hearts and fell totally and completely in love with Trey and it reminded me what I was missing!!!! So now I am making my way through the rest of this series and loving every freaking minute of it!!!

Let's talk about the sexier than sexy, Luc Chevalier for a moment shall we?! Because of him I have a new-found love for over the top hot Frenchmen with a delicious accent! Add to his good looks the fact that Luc is such a romantic, funny and caring man and well hell what more could a girl ask for?! Luc tries to convince himself and anyone that will listen that love and marriage are a colossal waste of time and questions why anybody in their right mind would want to be tied down to another person. Then comes along Megan who quite literally falls into his arms and runs his theory over like a damn freight train!!!!

And Megan, well I have a lot of love for Megan's character! She was incredible, the way she handled the shitty hand her ex dealt her and just moves on and makes the most out of her life for the sake of her little boy. I really respected the way she went about things even if I did want to slap her upside the head a couple of times ? Man, is she a stubborn woman lol.....

I love the way these two were brought together and the way their story unfolds throughout the book. I laughed, got angry, was disappointed, swooned, thought my ipad might catch fire (yeah this is a super HOTT read – did I forget to mention that before?!) Ya know, all the feels you are suppose to have with a great read!!!! Thanks again MJ Summers..... I can't wait to read Harper's story!!!!

Breaking Clear -- I want Evan Donovan to build my future!!!!

From the moment Harper Young's character was introduced in *Breaking Love* (Book 2 in this series, which if you have yet to read it, hop on that sucker right away as it contains a sexier than sexy Frenchman) I knew I wanted her story! She is funny as hell and oh my god so damn feisty!!!!

Harper has had a crush on Evan Donovan since she was a young girl, but of course she never acted on it. She moves away and has a fast paced job in the "Big City" at Style Magazine, which is what she has always wanted. Due to unfortunate circumstances she is called back home to Boulder, Colorado. Imagine her surprise when she realizes "Evan from Heaven" has bought his parents house and is back to living next door. The way these two come back into each other's life is truly laugh out loud funny!

Evan Donovan had it all and then he didn't..... He is still the same guy he always has been except now he is totally bitter about love and marriage. I loved Evan's character so very much because he was just an average guy who worked hard and earned the good fortune that came his way. That being said there were a few moments that I truly wanted to throat punch him! Geez Louise! what a truly stupid man he was, which just made his character that much more believable lol..... it would have been a throat punch filled with love ?

Since both of these characters suffer from an extreme case of commitment phobia, Ms. Summers definitely had her work cut out for herself in bringing us to our HEA.... She pulls it off though with a fabulous story, some real funny moments, some heartbreaking moments and a cast of characters you just can't help but fall completely in love with.

Mary Aquino says

Long, but good!

This set of books has great characters and steamy sex! If you're looking to read a few romance novels, sit back and start with book 1!!!

Book-Lovin-Momma says

I thought this was a solid 4.5 stars. Each story has a different story line that I found interesting and engaging. They're just long enough to keep me entertained and satisfied. There were some steamy hot scenes, and the build-up was done well. There are more stories after this series, and I would love to read them. I thoroughly enjoyed this set.
