## Her Gentleman Thief Robyn DeHart

Annalise Petty is on her way to her wedding when a handsome highwayman stops her coach. Determined to save her younger sister's reputation Annalise begs the thief to take her with him. It doesn't hurt that the handsome stranger might also be saving her from a marriage without love or passion.

Griffin Hartwell, Viscount Benning never imagined that playing the highwayman would bring him face-to-face with his own would-be bride. Once alone Griffin takes the opportunity to show Annalise just how passionate he can be, but will his charade ruin their chance at a forever love?

Her Gentleman Thief was originally published in the Mammoth Book of Regency Romance, 2010.

## **From Reader Review Her Gentleman Thief for online ebook**

### **Goddess of Chaos says**

#### **Delightful!**

This short story is a wonderful, character driven quick read about a young woman with a great deal to learn about men and how they deal with matters of will power and self control.

---

### **Maria Dimitrova says**

Short and rather adorable. A nice way to fill in some spare 15 minutes. There's not much time to properly get to know the characters but still I managed to get quite attached.

---

### **Sue says**

#### **Great Read**

Her Gentleman Thief is the first story by Robyn DeHart that I have read. It has left me with a great need to read more of her writings. Well done, Ms DeHart!

### **Farrah says**

Super sweet and adorable! This Regency short story was absolutely lovely. Her Gentleman Thief was light, sweet, and a wonderful read.

Annalise was a heroine that didn't want to settle. And, when she thought that might happen, she wasn't going to let it. I thought she was great and I liked her.

Griffin was very sweet and utterly adorable. He plays the role of gentleman to perfection, but he can be adventurous when he wanted to and was definitely sweet. I adored him.

The romance was sweet with a hint of spice. These two were lovely together.

I really enjoyed this story. It was a fast read, perfect for when you just want something light to enjoy.

Her Gentleman Thief was a wonderful historical romance short story and I really liked it. Romance lovers, if you want a quick, light, lovely read, this is one you'll want to check out.

### **Melody May (What I'm Reading) says**

Posted on What I'm Reading

A few days ago, I read and finished Her Gentleman Thief by Robyn DeHart. This novella is a quick read that won't take too much time out of your schedule. I personally liked it for a couple of reasons: 1) Quick read 2) Sweet and innocent.

Yes, this innocent story is about a young woman, Annalise Petty, who her fiancé, Griffin Hartwell, Viscount Benning. Annalise is afraid that Griffin and her will have a loveless marriage. Granted she's practically on the shelf she would like a little passion. However, she ends up getting taken by a thief. Believing she will escape the marriage. Yet, circumstances are not what they may seem.

Seriously, a sweet little story about two people who basically hide their feelings. Plus, you Annalise gets a quick little adventure. So, if you are looking for a sweet novella to read, you might want to checkout Her Gentleman Thief.

#### **To short**

It was short not enough to keep me wanting to come back and read didn't make me be like I need more of this I feel let down and this is my first bad review on a book ever

---

### **Kristine says**

Author gets -10 000 points for having a hero who literally thinks of women who are not the heroine as, and I quote, "the pretty, but empty shell that was most marriageable women he'd encountered." F\*\*\* you, Griffin.

A lot of awkward language, stupid motivations, and a Misunderstanding based in the characters not speaking to each other. All pet peeves of mine, so I wouldn't recommend this.

---

### **Lea Vickery says**

I LOVED it! What a sweet turn out. If you're looking for a quick clean love story this is the perfect one. No sex. But a strong love connection and great historical tale :)

---

### **Amber Brownlow says**

Let's start out with a little honesty. I only came across this title because I was specifically looking for a short, free, historical romance for a reading challenge. After coming across this title, I decided it sounded like something I would enjoy, and decided to give it a try. Never in my dreams, did I actually plan on truly enjoying this one as much I really did.

For this being a short, free read, it's surprisingly well written. It of course had a few grammatical mistakes that I came across, but overall it was well developed for only being 30 pages.

In the end, I'm actually really glad that I came across this one. I have a love hate relationship with historical romances. Over the years, I've found some that I've really loved, and others that I can barely begin; that makes me enjoying this title even better. :)

### **Chris Bails says**

This was such a good story. I loved it. Can't wait to read another.

This is the story on Annalise. She is getting ready to get married and not sure if it is what she wants. She feels that the man she is marrying does not care for her and that he is only doing it for property. She has always wanted a love match. But she knows that she is getting to the point of becoming too old and going to be a spinster. She feels that her betrothed is a dreadful man and priggish. She is riding in a carriage to meet with her betrothed, with her sister and maid. They are stopped and come across a highwayman that is going to rob them. Crazy things happen and Annalise needs to decide what she is going to do. Marry a man that does not care for her or do something crazy.

This was such a great story. I loved Annalise and Griffin. I can't wait to see a longer story of these two or maybe a story involving the younger sister. I will be looking forward to the next book by Robyn and hopefully the next in this series.

### **TinaMarie says**

Thief ends up stealing away a woman on her way to be wed, I liked it

---

### **Liberty says**

I loved this short, sweet story! Annalise isn't your typical heroine and her story really draws you in. The combination of humor, adventure and romance is just right.

---

### **elaine m. suda says**

#### **Her Highwayman**

Thank you for this heartwarming love story about Annalise and Griffin. I love Regency stories. I enjoyed the fast-moving storyline and the happy ending.

---

### **Crystal says**

This was such a cute, quick read. Annalise is a prim and proper young lady who is engaged to be married. While traveling with her sister and maid, they are stopped by a highwayman. Protecting her younger sister, she asks the highwayman to take her with him. She recognizes that by her maid's actions and the fact that the guard and driver have been blindfolded, her fiancé has every right to cast her aside since she was alone with another man. That's all I'm telling you, if Regency Romance is your thing, or if you like clean reads, or just plain good romances, I highly suggest this book. I thoroughly enjoyed it and wished I could have had more time with the characters.

Before this, I had never read any work by Robyn DeHart, but now I'm intrigued and want more. Thank you for writing such a good story!!
