Soul Stealer: Legacy of the Blade

Joseph J. Bailey

Soul Stealer: Legacy of the Blade Joseph J. Bailey
Heaven has fallen.

The legions of Chaos have overrun the world.

Uërth is in ruins.

With the Heavenly Host's fall, Angel Swords rained from the heavens, littering the world in what was.

Only the most honorable and purest of heart are able to take up the Angel Swords and wield them against the throngs of Chaos. These mighty Empyrean Knights are all that stand between Uërth and annihilation.

Saedeus is neither pure of heart nor honorable. Nor does he wish to wield an Angel Sword.

He just wants to be left alone with his mushrooms.

And his pet rock.

But he might not have a choice.

When he inadvertently takes the soul of a dying Empyrean Knight into himself, his world, and his obligations, grow forever larger.

With the help of his pet rock, the spirit of a heavenly knight, and the sword of a fallen angel, he might be able to make all the difference.

If he doesn't die first.

From Reader Review Soul Stealer: Legacy of the Blade for online ebook

Camryn says

Really long winded writing style that in the beginning served a purpose but throughout the story i just wanted it to finally end. there is no real plot to the story and i felt this book served no purpose.

Ronnie L says

The concept was good and execution was ok but the author seemed to cheat by adding filler nonsense to change it from a short story to a book. The hero would have long one way conversations with himself which would take up many pages.

Bruce Wiles says

Mushroom singer rules

A hero worthy of Terry pratchett. Brilliantly written, engrossing story that was hard to put down. I just love the pet rock. Well done sir keep weaving your magic

Greg Crites says

This is brilliant. The author uses English like the ninja uses a blade. We read to enjoy a story well told and the captain of this tale navigates the shoals with competence and a flair for language equal to my own. Enjoy.

Tosovino says

Great read

Monsters and magic with a funny, sarcastic, inept hero. Loved it... Laughed a lot of times... Looking forward to the next book!

JoJo Gozy says

Enjoyed

I read this book a while back. I remember thinking it was good, I didn't feel unsatisfied with the ending or

anything like that. I just finished rereading this book because I saw the author had two more books out and I wanted to refresh my memory. This time around I really got to enjoy the whole book with no interruption. I really enjoyed this book. The main character was funny and honest about himself. Can't wait to read the other two.

Dániel Farkas says

Its complicated.

I liked it, more or less. I had a trouble with the words he used and somewhere i felt it useless. The story was fine, interesting and Saedeus is one pf my fav character ever written. Although the ending is somewhat left me feeling unfinished.

Rose says

Rose

Joseph Bailey has done an excellent job of showing that not everything is as it seems in the world of "Soul Stealer". How a young man is not totally how he seems to others is not easy to portray. But he has done a wonderful job in this book. Congratulations Mr. Bailey!

Travis says

Cool idea, poor execution

I actually liked this book. The author can write and the plot is a cool idea. So why did I rate this 1 star. The book is incredibly short. Listed at over 300 pages, that is only possible with an incredible amount of sentence fragments with weird spacing (on top of double spacing) and a whole lot of repetitive internal mental dialogue and sarcasm. If you write a cool short story don't turn it into a pile of crap with cheap attempts to make it longer.
