The Enforcer Chase Mann

This book contains Very Hot Erotica themes of **Gay BDSM, Bondage, Spanking, Humiliation Punishment, Domination and Submission as well as the use of BDSM devices.**

His Master locked his chastity cage and then his **blindfold**. His hands had been **bound and chained** above his head so most of his weight was taken on his arms. He always **enjoyed his mixed excitement and humiliation**. He had called in **his Enforcer to watch**, who had laughed contemptuously to see **his humiliation** and to turn it up a notch. The Enforcer showed his disdain by **his roughness** as he pulled his arms above his head and **tightened the chains**. *"He certainly doesn't have much staying power, does he?"* Once he had locked him up **his Master kissed him on the lips**, ran his hands over the ripples of his **washboard stomach**, tapped his **chastity cage** and murmured *"Remember I love you. Be good."* *"It doesn't matter if he is good or not, he has no choice but to learn,"* the Enforcer said as the door closed, leaving them alone.
