Susannah is drawn to the stoic cowboy, but the ever-honorable Wyatt keeps her at a distance, refusing to get in the way of Susannah starting a new life. ### **Harlequin Books says**

"Kent continues her Marshall Brothers series with another great addition. The Marshall brothers are not only kindhearted gentleman and sexy cowboys, but they are truly heroes to fall for, and Wyatt's story just might be the best of the bunch. With a great hero and heroine, the relationship development is slow-building and perfect. A Family in Wyoming is a heartwarming story with a tender romance that will have readers ready for the holiday season" (4 stars @ RT Book Reviews)
