## **A Shelter in the Time of Storm: Meditations on God and Trouble** Paul David Tripp

Fifty-two meditations on Psalm 27 instruct and encourage believers to worship God through the ups and downs of life.

Psalm 27 is a psalm of trouble and worship, of difficulty and beauty, of the evil of people against people, and of the mercy of God. Because of its honesty about life in this fallen world, Psalm 27 speaks into the life of every believer. At the same time it places joyful and self-sacrificing worship right next to the trouble that is the psalm's background theme. This juxtaposition makes Psalm 27 unique, interesting, practical, challenging, and encouraging.

*A Shelter in the Time of Storm* takes readers through this roller-coaster-ride of a psalm in fifty-two brief and engaging meditations. These meditations are designed to fill hearts with a patient hope that grows stronger as the trouble-spotted days go by. Reflection questions at the end of the chapter make these meditations thought-provoking and practical.

### **Becca says**

A great set of devotions on Psalm 27. Tripp's mixture of poetry and prose is beautiful, comforting, wise and encouraging. Highly recommended for those in a season of difficulty.

### **Jeff says**

This is a book of meditations on Psalm 27. Tripp encourages us to trust God in and through times of trouble and to remember that He is faithful and that He will hold us up. Our circumstances do not determine our relationship to God.

I found the reminders in this book helpful and I appreciated the "Take a moment" questions at the end of each reading.

### **Joel says**

There are a few thoughtful meditations within, but I think that Whiter Than Snow was far more focused and powerful. Good content, but I am still not much of a 'devotionals' guy.

### **Teri says**

I love it...is a must read in my library.

### **Sarah Thompson says**

Fantastic Book! It really made things click, and showed me that God is in control and we have a choice in our attitude towards the things God allows in our lives!

### **Jana says**

Great for daily devotions or very small groups-- leads to good sharing!

So challenging!

## **Julie Manwarren says**

Excellent! Deep and honest, this book is profound and centered on truth. A good resource for anyone who has been or is going through a hard season.

## **Wade says**

This is a great book on Psalm 27. Each of the chapters are only three (or so) pages each, reflecting on a different theme brought up throughout the Psalm. The theology is solid and Tripp is also a very gifted counselor and able to get to the “heart” of the passage (and the “heart” of the reader) really well.

## **Gary Potratz says**

I enjoyed reading this book so much that I read it through several times slowly and saved my favorite chapters for further review.

He has a way of sharing that I find unique and challenging.

But, more important than that, we all go through trials that can lead to despair and that is when we need hope. Who on this earth doesn't go through trials?

Paul provides that in chapter after chapter. How can a whole book be written about one Psalm?

You will have to check it out to find the answer to this question.

I am a big fan of Tripp's. He has been a good mentor to me through his books. This book is a series of meditations on Psalm 27. I read it first as a devotional and second with my small group. I found it rich and deep and simple. Each meditation was both uplifting and thought provoking. It was good conversation starter for our group as well.

### **Deepen your hunger for the living Lord**

The Lord satisfies and never disappoints as we draw near to Him. This devotional turned my heart to the Lord to seek His beauty and presence.

Soothing balm for an aching soul. This book was recommended to me by a friend during a really sad season of life for me. Tripp walks through Psalm 27 (in no particular order) and instead of a historical background, he meditates on David's woes and so beautifully and poetically cuts to the core and applies it to our lives. I used this book during my morning time with Jesus and it had such good conversation starters and prayers wrapped in it. I would recommend for anyone in a hard or sad or unwanted season.

**Rachael Marsceau says**

Loved the emphasis on waiting as part of God's plan for us. Also, I vote Tripp writes a book consisting entirely of his poetry! ?

**Greg Busch says**

I really like Paul Tripp's writing. I told me daughter that he could publish a grocery list and I would probably buy it. This book was a pleasant walk through Psalm 27 and with poetry and prose Mr. Tripp hammered home for me some salient points regarding the cost of my salvation and my need to run to the Lord in all adverse situations. It was a good read for me and a nice change of pace after my battle with Chesterton's book.
