#### **Good**

I gave it four stars because it was a lot of errors in this book. The story was good. I needed to hear from Maddie and Carlos in the epilogue, tho.

#### **AIN'T NO LOVE LIKE A THUG'S LOVE 3**

Beautiful just beautiful couldn't believe William and Lincoln going this far to attach Sophie but Trooper was no joke. Story out and coming from William for taken 10 yrs of his life away. But anyway a great series will there be anything about Los and Maddie next

**What a read!!**

I loved it so glad that everything worked out for Trooper and Sophie. I was so glad once they handled the Prescott men it wasn't even funny. I love Carlos and Maddie together they complete and balance each other out. It would be nice if it was a spinoff with their story because I know that reading about them will be very interesting, especially how he is with his momma and the relationship that Maddie have with his mother. Overall great read KC Mills never disappoints.

**DTP1908 says****Great Read**

I was panicking thinking Story or Alana would die. I'm so glad things turned out well. But Willis was dumb. Did she really think she could take Trooper and Sophie with Los and Story in the house?
