Amish Millers Get Married: The Way Home / The Way Forward / The Narrow Way Ruth Hartzler
Collections of the first 3 books in the #1 Best-selling Amish Romance series, The Amish Millers Get Married.

The 3 books in this boxed set follow one family, but each novel has a vastly different story line.

1) The Way Home.

The four Miller sisters are injured when their buggy is hit by a car driven by Noah Hostetler who is on rumspringa.

The oldest sister, Hannah, is the first to recover physically, but is left with a fear of buggies and worse still, unforgiveness in her heart for Noah.

Can Hannah recapture the love she once felt for Noah?

Will love be enough to heal the wounds of the past?

2) The Way Forward.

Everyone thinks the handsome Amos Troyer is perfect for Esther Miller - everyone, that is, except Esther herself. So when her mother's meddling gets too much, Esther hatches a scheme of her own. She asks her friend Jacob Hostetler to pretend to be her boyfriend. Yet does Jacob have a secret of his own?

How will Esther's secret change her life in a way she never thought possible?

3) The Narrow Way.

The Miller's third daughter, Martha, went on her rumspringa, determined to sample the ways of the English and to start a chocolate making business. Mary has left the Amish well behind her, and is dating the handsome and successful Englisher Gary Wright. When she is arrested for something she didn't do, she calls on the only person she can trust to keep her secret, the Amish man Moses, who has loved her for years.

Selina says

disappointed read

I felt like the author threw in a few Amish words to make it Amish and that was it. Not at all what I expected.

Chris McIntosh says

Nice reading

It was a nice reading book series. A bit slow but nice. Had a nice story in all the books.

michael phillips says

Very well written. Enjoyed a lot.

I really enjoy the books that are Amish based. It gives me a look into a different culture, and also, a different lifestyle.

Amish stories about sisters and love

This is the first time I have read books by this author and it will not be the last time. This was a boxed set of three stories about three sisters. I am going to get the book set with books 4 and 5 that are about the last two sisters in the family. This book can stand alone but the author tells a good story.

Mellissa Newling says

Loved this series of books

This set of Amish romance was wonderful. God's love is shown in each love and adventures. Perfect for all ages who love romance and religious freedom.

Phillip says

Great books and great value in this 3 for 1 boxed set, well written and I liked the author's engaging style.

Delia Wagner says

book 1 the way home
ruth puts a lot of good reading into these 3 books.hannah and noah,
a long trial in Pa, can they still find love?

Victoria says

Good stories

These stories are engaging and the characters are likeable. I enjoy that each chapter starts with a scripture verse. However, sometimes I felt that the story jumped around too much like there were parts missing. I did very much enjoy the stories so perhaps that is why I wanted more.

Glenda Barcklow says

Amish Miller's review

Enjoy reading about Amish. The books seemed short and could have been one book. More about Amish life would have made it more interesting as would the development of family members lives included in the story. There were too few characters.

Lorna Timoll says

Easy reading and obvious ending..

I love to read about the Amish, so I chose this box set. It was light reading for a Senior like myself. The person who did the proof reading did not do a thorough job as I found quite a bit of grammatical errors. Words were misspelled, and sentences repeated. Also the ending of each scenario was very obvious. I sure I get what I paid for. Maybe the next series will be better.

James G. Sugg says

Great reading that keeps you wanting to read more

Very easy to read. It makes you get a better idea of the Amish life and how they fantasize our English ways.

Brian Rutherford says

Nice story

Enjoyed the story about these sisters very much! It was interesting that they were so intertwined with the family of brothers.

sarah guffy says

3 book series of Amish folklore.

Reading about the Amish has become some of my favorite reading. The life style seems so relaxing. Thru their troubles , illnesses, love, and hard work they find hope in the community but more important the believe in GOD.

Suzie Jo Glass says

I enjoyed the first three of this five book set. I enjoyed the story lines. One family had 4 girls and another family had 4 boys. In the first book the buggy with the girls in it was hit by a car driven by Noah. Noah was Hannah's best friend and she had a crush on him, but after the accident Hannah was scared to ride in a buggy and refused to forgive Noah for what happened to her sisters and her. Hannah's Dad gives Noah a job and her mother tries to set her up with someone else. the other two books in this set are about the next two sisters. I will let you read them for yourself so that the story lines aren't given away. Each book runs into the next book with the characters and such. You are given a little more about the rest of the family. The only thing that I was disappointed with was that the writer confused the names in a few of the spots. Otherwise I enjoyed them. I have already started books 4 and 5 and intend to read more by this author.

Elizabeth Flanagan says

Good but not great

This was a good story line, but the writing was not great. The author seemed to repeat a lot of things as if to get so many words or pages written. She also mixed up the names of some of the characters a few times. I did still enjoy the set and will finish reading the next two as well.
