**Bangladesh** Stuart Butler , Lonely Planet , Marika McAdam  
**Discover Bangladesh**

Keep your eyes peeled for tigers as you cruise silently through the Sundarbans Visit mist shrouded temples, then watch a game of cricket in the grounds of Puthia Palace Strike a deal with a boatman and join in the crazed cacophony of life on Dhaka's Buriganga River Duck as hoolock gibbons swing above your head in tropical Lawachar National Park

## In This Guide

The only guide with in-depth coverage of the entire country Expanded hiking and national park content, including the best places to see tigers and other wildlife Unbeatable cultural advice, with an expanded section on travel for women Content updated daily - visit **lonelyplanet.com** for up-to-the-minute reviews, updates and traveler insights

### **Molly says**

A acceptable travel-guide. Out of date, but that's not really its fault. I hear they're coming out with an updated version this winter.
