Norman Howe says

This book channels Zombie Apocalypse stories by way of the Black Lagoon and Miskatonic U", " with lots of conspiracy theories and political infighting going on. There's even a bit of the old Lights Out radio program thrown in. It gave me the creeps. Can't wait for the next one: the preview suggests it's going to be a Slasher Flick.

Jean-Marc Rocher says

A decent source of basic information.

Down sides:

- a) The numerous typos, particularly in equations and problem sets.
 - b) Call me old school, but I don't really consider 'this problem is solved by pushing the following buttons on your calculator' to be much of a lesson.
-
