**Outfoxed** K-lee Klein

**Official Description:** Rylan and Gage are best friends, lovers, and bandmates, but what happens if one of them wants something more? If one important aspect of their lives changes, can they still be all that they are to each other or is the risk far too great to even consider?

Cover designed by Zathyn Priest.

## **Original Prompt:**

*Dear Author,*

*I love a good rocker story. These boys are rockers in love but all they know how to do well is lust and overwhelming passion.*

*One has had enough with being closeted and wants to just come out and stop hiding, not only their relationship, but the one night stands and boytoy groupie hook-ups. He just wants to live without worrying all the time.*

*The other will come out for him but has come to see that he only has the drive to do it if they make a real commitment (open though it may be)*

*I hope someone can do something with this. Not sappy and not overly emo. Two somewhat famous, easy, slutty guys that are coming to terms with the true nature of their long time relationship(s) with the band, with each other and with their fans.*

**Photo Description:** Two thin young men with rocker hair stare intently into each other's eyes. The brunet in gold shorts lies flat on his back on a table; the blond in black shorts kneels over him, straddling his hips. The blond has one hand under the brunet's head and his other leather-wrapped arm pins the brunet's bicep to the table.

This story was written as a part of the M/M Romance Group's "**Hot Summer Days**" event. Group members were asked to write a story prompt inspired by a photo of their choice. Authors of the group selected a photo and prompt that spoke to them and wrote a short story.

I really enjoyed this! Very sweet!

## **Bev says**

Another great little freebie from the GR Hot Summer Days event 2011 featuring 2 Rock Stars Rylan and Gage, a huge fan of the group who is underage but very helpful, lots of misunderstandings, oh and glitter I believe, with some hot sex thrown in. The Zathyn Priest cover wasn't bad either. 4 stars

## **Exina says**

The main appeal of the story for me, after reading something really gooey with the same theme right before this one, is that it is absolutely without sappiness but still filled with emotions and intimacy in a fun, energetic, playful way.

So I really don't want to ruin this with a review full of praise but still, I'm going to go into raptures over it a little.

One thing is for sure: I will read more by the author.

Outfoxed opens hot and heavy as Glitter Fox band members Rylan Rivers and Gage Galeano can barely keep their hands off one another back in their hotel room after the show. The men have been bandmates and friends for six years, and regularly hooking up for the last five. Things are really heating up when a knock on the door interrupts the men.

Rylan is annoyed and disappointed at the interruption. It is his birthday and he had hoped Gage would want to spend it with him alone. Although the men see other people, and frequently invite others into their bed, Rylan is realizing that what he really wants is just Gage. But he doesn't think Gage is ready for that type of commitment and he worries what asking for it might do to their friendship and the band. Yet Rylan still can't help but be angry at the sight of the young twink who shows up at their door and he storms out. Fortunately, there is more going on that Rylan realizes and he and Gage may just be on the same page after all.

I really enjoyed this story and loved Gage and Rylan together. They are tough and witty and battle for dominance in the sex lives. I especially liked how Gage comes across as a bit harder and more pushy at the beginning, but by the end we get to see his soft mushy side too. They guys were a nice combination of tough and dominant but also sweet and loving. I could totally see how they fit together.

As I mentioned, the story was posted to Goodreads and presumably never went through the same degree of editing as a published work. There were a few places where I think an editor might have caught some issues that slipped through. There were some small typos and an occasional issue I questioned, such as Rylan wearing boxer shorts under skin tight leather pants. But for a free story I have absolutely no complaints about that kind of stuff and it definitely didn't get in the way of the flow of the book.

There were a few small things that bugged me a bit. We get the story from Rylan's POV, and it is clear he is in love with Gage and wants to make things more committed between them. But then we find out that he is still sleeping with other guys (on his own, not just as part of a threesome with Gage) which seemed surprising to me. And after Rylan returns after being angry about the twink, Gage seems to show little realization that Rylan is upset, even though it is presumably quite obvious.

Despite these issues, I really enjoyed this story. Klein writes super hot sex and the book has a lot of intensity

and excitement for a short story. I was totally drawn in to the guys and their relationship and I was thrilled to hear that she is working on a sequel as well as a short prequel story coming out soon. I can't wait to read more about Rylan and Gage and would definitely recommend this free story.

Oh, and gorgeous cover, isn't it? Totally fits Gage and Rylan!

I didn't really like either of the characters and I couldnot make any sense out of their conversations i would reread them and still not get what they were saying

### **Ami says**

Meh. Basically smut. The dirty/rough talks, especially when one comparing the bottom with weak girl or pussy turned me off. And nope, cock-ring for commitment ring just didn't feel romantic for me. But then again, it's definitely my taste preference not yours.

### **Red Lace Reviews says**

Rylan finally admits he is in love with his lover and band member Gage. But how to tell him? Fed up with threesomes with groupies, Rylan wants to be Gage's one and only.

A fun story with two likeable characters. The boys were sassy, cute and their dialogue brought a smile to my face.

It was a treat being with Rylan through the emotional torment of finally admitting he loved Gage and worrying over Gage's reaction. I felt sorry for him. Love can really make you crazy.

Oh, and rockstars! Awesome.

This is definitely among my favorite stories of the HSD. I liked the back and forth between the characters and that the big misunderstanding wasn't allowed to drag on.

A nice short story about a couple of hard- and strong-loving rockers.

Good enough that I would read the future Glitter Fox shorts or novels.

Don't Read in the Closet is a collection of short stories published for free for members of the M/M Romance Group. The best part of this series of shorts is that they were based on a photo and a reader request for a story. Here is the photo and reader request that inspired this story (warning contains an erotic non-graphic M/M Situation):

Outfoxed is part of the Don't Read in the Closet anthology sponsored by Goodreads and is a very good read in its own right. Rylan and Gage, the two rock musicians have a pretty steamy affair going on but Rylan wants more - a commitment from the man he loves. I wanted more also - more about their lives prior to the episode related in Outfoxed, and subsequently how they would manage their 'new found' relationship. A good story should always leave you wanting more, and hopefully the author has plans for not only a sequel, but a prequel that sets up the beginnings of their love story.

Hot, sexy and sweet tale about two rock stars.

Pretty good for a short snippit. lol.

Would definitely read more about these guys.

### **Lavinia Lewis says**

I really enjoyed this story. The writing was descriptive and flowed smoothly, and the main characters Rylan and Gage were sexy and absolutely perfect for one another. I loved the bathroom scene with the birthday 'hats' and 'rings'. Sweet and hot. Great short read, would highly recommend.

4.5 stars

Hot and sexy for each other, with love hidden beneath teasing banter, a little bit of angst and a whole lot of

laughter - mmm, um, more please? Oh, and my favorite line?

*"And you better not have broken my fucking tiara."*

Thanks for writing about Glitter Fox, and with a little luck, I hope to read more!

### **K-lee Klein says**

This book was written for the Hot July Days event in the M/M Romance Group. Carole wrote a letter attached to a pic of two beautiful men entwined and very much into each other. She wanted to know their story and gave the info that they were rock stars in love but not monogamous. She wanted some angst and hotness and hopefully that's what I gave her, though I threw in a bunch of emo, as well. :) Since I consider myself a total rockstar groupie, I hope I did the boys justice.

I've already started a second book about Rylan and Gage and will hopefully have a couple more after that - actually published for REALZ. :D The series is called Glitter Fox after Rylan and Gage's band.

Hope you enjoy.

**\*\* 2 foxy stars \*\***

I'm torn about how to rate this story. First of all let me say the writing was excellent, which makes me not want to 1 rate it. And the story turned out sweet in the end, which also grudgingly does not want me to 1 star it. But man.... I had some serious stomach drops early in the story. Several. The just kept coming! I got really put out and I'm not sure I was really recovered by them when the sweet stuff started. So as sweet and romantic as they were (because for rockers what doesn't say (plot spoiler) (view spoiler) I just couldn't quite enjoy them to the fullest.

*All he knew was one minute he'd been fine with their casual, open lifestyle and the next he felt possessive and pouty whenever someone else shared his and Gage's evenings.*
