Public Administration: Understanding Management, Politics, and Law in the Public Sector

David H. Rosenbloom

Public Administration: Understanding Management, Politics, and Law in the Public Sector David H. Rosenbloom

Rosenbloom and Kravchuk use a three part framework of management, politics, and the law as the basis for one of the most popular books for advanced courses in public administration. The text's analytic framework organizes the material of public administration to create a lasting understanding of the field.

Bandar AL Dossari says

Resourceful Managements Facts.

Muhammad Shoaib says

i think its good book

Monique says

Great textbook as it creatively connects theory with practice. Excited about using it for my college students in Public Administration.

Rebekah says

“For *forms* of Government let fools contest.

Wh[ichev]er is best **administered**

is best.”

-Alexander Pope

From quoting Pope to introducing 20-year-old me to Alfred J. Packer, who (according to legend) “et” a remarkable number of the Democrats in the county because he was a “voracious man-eating-son-of-a-bitch” (extreme gerrymandering, in the opinion of the judge) this stands out among textbooks for its accessibility, humor, and truthiness.

Read in Dr. Tom Simpson’s Public Administration course, 2004.
(I think this was the book but I’m not absolutely sure.)
