## **Tears of a Princess** Laura Thomas

For fifteen year-old Natasha Smithson-Blair, life couldn't get any worse. The shocking news of her parents' divorce on top of her own deep, dark secret threatens to tip her over the edge-until her best friend suggests joining her on a mission trip in Mexico. Intrigued by this absurd, yet strangely enticing notion, Natasha tentatively agrees to leave her spoiled-rich-girl life behind and embarks upon an emotional journey of both devastation and joy.

Facing ugly truths and beautiful promises, Natasha's ice-princess façade is penetrated by a love so compelling it cannot be ignored. Will further tragedy rock her world again, or will she find the courage to cling to her newfound hope?

## From Reader Review Tears of a Princess for online ebook

### Ofilya says

Tears of a Princess was pretty hard to put down once I got reading! I loved how this book referred to its prequel, but in others point of view. Natasha was a loveable character who is someone that you can easily feel bad for when hearing about her circumstances. I especially enjoyed reading on and watching Natasha change from someone self-absorbed to a caring person who really wanted to help the needy people in Mexico.

### Stephanie K says

This is a great book to follow the others. You find yourself constantly wanting to read more to find out what happens next. I love that the story is followed into this book from the first. I have read this book and totally loved it! It's a great third book to the series! I would totally recommend this book to anyone and everyone!

### Eileen Carter says

If you have never read a book by Laura Thomas you are missing out. She writes with such passion that you will don't want to put the book down. This book is the sequel to Tears of a Dancer. The characters that I found so delightful and real are once again in this book, only the focus is now shifted to Natasha.

Natasha is a girl who is used to getting it all, and expects others to treat her like a princess, just because she is rich, talented and beautiful. No one knows though that under her outgoing, perfect appearance she is hurting, struggling and battling with an issue so dark she doesn't know how to handle it.

As you read the story you will see Natasha grow and mature, and most importantly learn that we must look outside of ourselves sometimes to see the bigger picture in front of us. With the help of her best friend, Bethany, Natasha goes on an adventure that will take her completely out of her comfort zone and open her eyes to a life she might never have known existed.

Take the time to read this book, as it is excellent. Don't worry if you have not read "Tears of a Dancer" as this book can stand on its own or be a great sequel. I really believe young girls will enjoy this book as it discusses issues that young girls face.
