## **From Reader Review THE FOX'S KISS Vol. 1 for online ebook**

### **Rebecca says**

This definitely feels like a poor man's *Kamisama Kiss*. That's not entirely a bad thing, but it's not quite as good as the other Saki Aihara series I've read.

Full review eventually appearing on ANN.

### **Marlana says**

The Fox's Kiss is a short manga series (only three volumes) about a teenage girl who discovers she has the power to heal and see yokai.

She then meets and eventually falls in love with a kitsune.

Short and sweet, but one I sincerely enjoyed.

#### **Fox demon!**

I love this story. It reminds me a little of Kamigami Kiss. If only in the fact that it is a fox demon that falls for a human girl. I have to say that fox demons are my favorite ayakashi.
