**At My Grandmother's Table: Heartwarming Stories and Cherished Recipes from the South** Faye Porter

A joyful, practical celebration of the truth that some of life's sweetest memories are created around Grandmother's table.

When times were lean, Southern grandmothers gave what they had?fresh vegetables or fruit from their land, eggs and dairy from their chickens and cows, or meat from their husbands' hunt. Or they prepared food and shared it by offering it to those in need or by hosting folks in their homes. So much of what they knew and taught us about love and friendship started in their Southern kitchens.

"At My Grandmother's Table" pays homage to those memories with the flavors that will take readers right back to her table with dishes such as:

Memaw's Strawberry Salad Christmas Sweet Potato Pudding Banana Butterscotch Bread Scripture Cake Shoofly Pie Old Fashioned Cream Pie

Just as Faye Porter's "At My Grandmother's Knee "celebrated Grandmother's kitchen and the sweet memories that were created in it, this new collection of stories and recipes also comes from some of the luckiest people around?the grandchildren of Southern ladies who knew how to cook.

## **Melissa (ladybug) says**

Have made the "Yesterday's Grits for Breakfast". It tasted great. I am looking forward to making "Granddaddy's Favorite Casserole" and "Key Lime Cookies" plus a whole slew of recipes from it.

---

## **Cindy says**

What a great collection of family recipes! I saved quite a few that I would like to make. Some are very similar to food I grew up eating. I wish there would have been more photos of the finished recipes but I still enjoyed this book.

The stories that went with each recipe were so sweet. It's always nice to remember memories of time spent with our grandparents!

I would recommend this book! You get recipes and sweet short stories about the recipes. And a bunch of memories you probably hadn't thought about in awhile.

## **May says**

Slightly disappointed that 1/2 of the book contained cakes, cookies and other "dessert" items as I was hoping for more "savoury" recipes. Of course no Southern cookbook would be complete without one fried chicken recipe. Surprised to find very few recipes involving beef or pork, especially nothing that was "barbecued".

## **Bunny says**

So many fantastic recipes in this book. One of the few cookbooks I've picked up at the library and immediately wanted my own copy of. Love love.

And I plan to make the recipe for Potato Pancakes post haste.

### **Down Home Simple Recipes**

5 star because these recipes are tried and true. Simple comfort foods that can be easily adapted to today's lifestyle. This is not a diet cookbook, but the recipes are hearty. Stories that accompany each recipe are a nice touch.
