Make Her Dreams Come True

Meg's outing at the mall turns into the erotic experience of a lifetime when a sensual stranger convinces her to relinquish control to him. And so begins a game of seduction through the loss of free will...

A story of sensuality so rich, sexuality so primal, Make Her Dreams Come True tells the tale of a woman who learns to fly by allowing one man to chain her.

### Threads Of Faith

Marisa is a modern-day witch, living at the edge of the woods and of society. She dispenses potions to help lonely souls find their true loves. Because of her inability to live among others, she doesn't believe love is for her, let alone sexual fulfillment. Then Conlon Maguire shows up at her cottage.

Conlon wants a potion to win the heart of his soulmate, but the magic behind the potion sets its price. Conlon's potion demands that he spend one night with Marisa, bringing her pleasure. As a servant of the Light, Marisa cannot refuse the price if Conlon agrees to it, but from the moment he touches her, she knows her heart and shields are in danger.

Loved the strength Meg showed my relinquishing complete control to a complete stranger. One man, the only man she needed. Another erotic story by JOey W Hill.

## Bridget says

This is two novellas, both by my fav, Joey Hill. I just love the way she writes. Although she creates very erotic stories, they generally are much more than what is typical of these.

In the first, Marisa lives by herself, with little contact with others, except for offering her skills in healing and spells. Self sufficient, she is content with her life, until a stranger, Conlon Maguire, requests a spell that leads to much more than she expected. He wants to capture the attention of his true love...A nice story.

The second is about Meg, a depressed and suicidal young woman, suffering from a total loss of self esteem or worth. She meets a man, Daniel, at the local mall and nothing is ever the same. She is struggling to fight the dark forces that overwhelm her. The story leads to much that was an answer to Meg's mystery, and the man who will be her salvation. Wonderful.
