John says

She keeps you on the edge

MimiCat says

The entire Stephanie Plum series is the most fun you will every have reading! I have read all 20 and every year anticipate another. You can start anywhere, but I strongly recommend that you start with One for the Money and move on consecutively from there to really get the flavor of these. Also, I do think the earlier ones are the best. They made a movie out of #1, but it fell way short of capturing this delightful series...sorry, but totally miscast the character of Ranger. This is fast, fun reading that will make you laugh and laugh but also has the element of different mysteries for each one.

Twila says

I'll just say I love the Plum books. And there are two different audio readers one is good, the other is excellant!

(I read this along time ago, so not going to put much in the review!)

April says

I', almost embarrassed to have read all of these, but I think they're quite funny.

Sara Tuschen says

NIne is my favorite. There are a lot of good moments in 7 and 8. NIne has a little cleaner ending.

Kellie says

Laugh out-loud funny!!

Stacey says

Reading Hard Eight but this was the only one that came up...then I will read next one. So far it's really good.

Adrieen Childree says

love plum!

Emmalee Miller says

I absolutely adore these books. They're fast paced, with interesting plot lines, and are hilarious. Add that with a spunky female lead who blackmails her cousin Vinny into giving her a job as a bounty hunter and the super sexy badass Ranger, also a bounty hunter (who I will always prefer over Morelli) how could you say no?

Joy Kerns says

I just love Janet Evanovich's sense of humor in these books. They are easy to read and have a little bit of everything....humor, drama, mystery, a love triangle, etc.

Jennifer Layne says

I immediately fell for Stephanie Plum ... how can you not! She is a train wreck with plenty of mascara, and a fantastic family! Can't wait for more adventures!

BTW ... I am TOTALLY Team Ranger! Also Lula is AMAZING ... we all need a Lula in our lives! I have decided I want to be adopted by the Plums so I can have a Grama Mazur!

I have read the first 22 as well as the In-Between the Plums stories and I am so ready for the next several!
