The saga continues with Janelle and Outlaw on the verge of a lifestyle change they never expected would come quite so fast. But with Janelle nearly eight months pregnant, time is running short and the rush to get their lives in order before the arrival of their little princess has begun.

Juggling her pregnancy, her career and her love life, Janelle is almost at wits end when things aren't turning out the way she planned. When Outlaw's reputation as the most vicious member of an infamous crime mob leads to her losing out on clients that she needs in order to keep the lights on, the stress of it all couldn't come at a worst time. As if that isn't enough, Janelle is anonymously sent a video that shakes her world and threatens to derail her relationship. Will she finally learn that she can put her faith and trust in the man she gave her heart to or will she fall victim to the mental and emotional turmoil that comes along with trying to handle it all on her own?

No matter what, Carmella always seems to come alive in the presence of flashing lights, cameras, good music and adoring fans. After accidentally falling into the life of a socialite, Carmella feels like she's experiencing the glamorous life. Drug free, she's still living big, doing all the things that she loves and her relationship is perfect with Cree by her side. But how perfect is too perfect? When she begins to suspect Cree is up to some extracurricular activities involving another woman, she's hot on the trail like Inspector Gadget to catch him in the act. Will she be able to deal with what she finds if she discovers that Cree isn't the man she believed him to be?

Sidney is finally indulging in the drama-free life now that she and Yolo have buckled down and made their relationship official. After losing Faviola, she's pulled herself together and her desire to move on and live every moment like it's her last is stronger than ever. But when a mystery woman shows up at the club one night, whispering a few words in Yolo's ear, her life takes a sudden turn that she wasn't preparing for. Sidney finds herself in a place where she has to come to terms with her own emotional scars before she can progress with her life. Will she be able to grow up beyond her hurtful past?

### **All that and more....**

I just loved this series. You gave from the beginning and kept giving more. Leaving us wanting more. If this is where it ends I'm fine with that. You covered all bases and left no loose ends. However Tank and Mixie story will DEFINITELY BE APPRECIATED!!!!!! Can't help but love or get enough of the Murray brothers, especially when the next story is better than the last. Love your work and will continue to read more in the future

### **Nice ending!!**

As I stated before I love the bond of the siblings. No matter what is going on you can always count on family. Outlaw is still super funny and crazy. He takes care of Janelle and I love that. Cree is the same way with Carmella, Yolo with Sid and Kane with Teema. Tank is trying to be that way with Mixie but she ain't having in. Glad Porscha decided on another book!!!

### **Loved**

I really loved this series it helped me ease my mind a little. But I really would love to see the outcome of Mel and Cree relationship they are totally opposite but good for each other.

### **WOWWWWW**

Great that we were able to see Janelle and Luke's happy ending of getting married and welcoming the baby, but couldn't you let her have a real wedding? Yes you need to do a story about Tank and Mixie and also if Yolo and Sid get married and have a kid. Happy Yolo stood up and b a dad to his son. Did the brothers retire from the streets in the end? Just love that they all have found real love.....Great writing....

### **Yaaaassss Honaaaay!**

Part 5 was definitely necessary. I so enjoyed reading about Outlaw and Janelle' progression! This part also gave me a deep insight on Cree who I had deemed as the most mysterious Murray! Please don't stop here! The rest of the couple's have a story to tell as well! As part of the Murray clan.....Outlaw and Janelle should definitely make appearances! I am really looking forward to YOLO and Sid's storry: as I am feenin to know more about the mixologist!

Thank you for appreciating us as readers.....it is such a pleasure when an author is involved in a recipricated relationship....it makes the reading much more enjoyable...and the anticipation of your next project on LEVEL?

### **Outlaw**

This book was just what I needed it to be. I missed. These guys! The secrets that was revealed. Outlaw is just as insane as he always been. I so would love more spinoffs of the brothers. I would love more incite on why Mitzi is the way she is. Outlaw is still my favorite out of all the brothers. Janelle gave him hell with this pregnancy. They had me in tears. Carmella was making me mad they way she was acting. Cree was not for it though. There is never a dull day with these brothers around. This book was sensational

### **Lost in emotions**

This book gave me so many mixed emotions. One was I can't believe that I will not be reading about OUTLAW ANY LONGER. I must say this book was well written. I love how the Murray brothers stepped up to the plate and grew up. I love how OUTLAW will always remain true to himself but take care of the ones he loves. I just loved everythijng about this book asnd wish it didn't have to come to an end. My emotions are all over the place. I love me some OUTLAW.. the Murray brothers are those babies.. you gotta love them all. Guess I'll reread them all..

### **Pleasantly satisfied**

I am happy that you decided to write book 5. I love the way all of the characters have grown I would still read another book I can't get enough of Outlaw he's so sexy and just my type of guy. The idea of spinoffs is awesome and I totally support any upcoming projects at least give it a little more thought you're an awesome writer and I'd welcome any of your future project.

Happy reading

Definitely loved reading more about Janelle and Luke. One couldn't help but to love all the Murray brothers. Carmella was doing the most when it came to Cree and all she had to do was ask questions. I wanted to throat punch Yolo because he went about things wrong with Sidney. Yeah I understood his reasoning but at the same time that information should've come from him. Thank God for Teema because she put things into perspective for Sidney. It was crazy Val held onto so much hate and would try to jeopardize what Janelle was trying to accomplish. Outlaw was still crazy as ever and matured so much from his first interaction with Janelle. Overall I thoroughly enjoyed this final installment for In Love with An Outlaw because it wrapped up any lingering concerns. Mixie better stop playing games with Tank and I'd love to read how their situation turns out.

Its hard saying Goodbye to the Murray Brothers!! Loved the growth of all the characters and happy endings!! The series is set up for multiple spinoffs .. Tank and Mixie / Yolo & Sid, most proud of their growth, Yolo taking responsibility for his child and Sid letting go of her insecurities. Really going to miss Luke/Outlaw the most because he was most entertaining. All the storylines were wrapped up and no loose ends left. Highly recommended series for any readers!!

### **Good read**

I enjoyed this one like all the rest. Its always good to read about the Murray Brothers. I wouldn't mind reading more on Yolo.

Anyway, I really enjoyed reading about Outlaw in this book... that's bae for real. He's so goofy. Especially, when he told Janelle she couldn't hold her baby because she's wearing cotton, and the baby is wearing silk. Looking forward to reading more about ANY of the brothers.

**evette w says****Yeah This Was Good!**

Yeah This is how you end a terrific series and leave room to come back if the need arises. I loved that all the guys finally got to that point of releasing that you always gone need your rib. Once again the comedic timing is so spot on that you just bust a gut every time. This was a really good series and you like the main characters as well as the supporting cast. I would so have loved more interaction between the women, maybe a getaway somewhere or a night on the town. I so think that Tank and Mixie deserve their chance at the Mike. This was good writing and a really good way to spend your reading time.

**Shamear Owens says****Loved it!**

I still forever will love me some outlaw. Still waiting on the day for janelle to finally get street smart lol. Amazing series and if you havent read it yet you dont know what you missing.

**Gilly says****Not good bye...see u later**

I cannot say good bye to the Murray Brothers.... Nope, not I. I will definitely be reading about them in Tank and Maxie's spin-off. I'm confident about this lol. I will be at every last one of their weddings lol. I will crash it if I'm not invited! This is one of those series that you never can get enough of. It just keeps you wanting more and more. I laughed....I really laughed and not once was I disappointed! Great job! Fantastic series..... give me more!
