Can four sexy dragons save a wolf from her own pack?

Elizabeth is the fated Alpha of her pack, but how can she lead them if she's never shifted? She doubts herself, but her fate is tied to the moon and Elizabeth is honor-bound to fulfill her destiny.

However, evil forces lurk in the shadows. When the Wolf Council sanctions Elizabeth as the official Fated Alpha, enemies attack her family, killing her parents. When they discover that Elizabeth survived, she must flee for her life. With nowhere to go, help comes in the form of four sexy and powerful Dragon shifters.

The fierce warriors offer her their protection and take her to a world of dragons that she never knew existed. As Elizabeth fights for her place in their world, it becomes clear that all four Dragon shifters crave more from her. All four men desire her. Each wants to claim her body and heart and soul.

Can Elizabeth chose between them? Or will Elizabeth be able to keep a hold of all the men who have grown so close to her heart?

Hayley Bradshaw says

Amazing!

Wow! Such an amazing story. At first, I was a little put off that the books were so short - but I love how the story flows so easily. The breaks make sense.

Coming to know and understand the dragons was a joy to read. Each of the guys are so distinct and personable. Wonderful writing of a very complex group of men and their dynamic.

Elizabeth is a fire cracker!! She's a complete bad ass and I want to be her when I grow up ;) I've thoroughly enjoyed all four books and I can't wait to read on!

Rebecca Stigers says

I've read everyone of these books and love the connection between Elizabeth and her dragon's. Each one of them brings something out of her and makes her stronger and confident. And the hotness is outta this world yet so tender. Great storyline and awesome characters.

This was a great beginning and middle of this series. Some things felt rushed and others a little crazy or brushed over but I'm still enjoying the series.
