## **Hebrew Word Study: A Hebrew Teacher Finds Rest in the Heart of God** Chaim Bentorah

In his third book Chaim Bentorah finds that after having discovered and exploring Gods heart, He found himself moving more in an Eastern or Semitic approach to his word studies. Rather than allowing his mind to rule his heart he found God's heart ruling his mind in his word studies. He began to feel a freedom to allow God's heart to rule His mind. When He did this He discovered that He was no longer searching or exploring the Heart of God, He was now resting in the Heart of God.

**David says**

This is a fine devotional book that calls the reader to pay close attention to the deeper meaning of the Hebrew texts. The author uses fine illustrations and demonstrates a true knowledge of God Almighty and His divine love. At times, I get a bit lost with the explanation of how each individual letter might mean something, but overall, each book I read of this author I learn something new and helpful for my ministry. I recommend it heartily.
