History of Islamic Philosophy Seyyed Hossein Nasr (Editor) , Oliver Leaman (Editor)

Islamic philosophy has often been treated as being largely of historical interest, belonging to the history of ideas rather than to philosophical study. This volume successfully overturns that view. Emphasizing the living nature and rich diversity of the subject, it examines the main thinkers and schools of thought, discusses the key concepts of Islamic philosophy and covers a vast geographical area. This indispensable reference tool includes a comprehensive bibliography and an extensive index.

Dina Kaidir Elsouly says

Both volumes take the place of honor on my desk, where it remains within reach for quick references. I loved reading about one of the richest intellectual traditions in the world from individual thinkers as well as philosophical ideas.

Over the years, I have used this book for my research, read bits and pieces that were relevant but this is the first time I have read it like a "book" from start to finish. I am so glad I did. Al-hamdu li'Llah.

sidana says

Bil ki ikidir halk?n ilmi
Onlarda ziyade yok bu hepsi
Biri hakikat eri?ilemez
Di?eri bat?l, tahsile de?mez

?bn Sina ya g?re "felsefe'nin gayesi" "insan i?in m?mk?n oldu?u kadar?yla, t?m mevcutlar?n hakikatlarine vak?f olmak"?r.

"Bilmen gerekirki, m?temadiyen ?ehvetlerine ?ncelik tan?y?p onlar?n m?zmini olanlar, onlara dal?p gidenler neticede ?yle bir noktaya eri?irler ki, art?k ne onlardan haz alabilirler, ne de onlar? terkedebilirler"

Siyad Cheruvatta says

It s so deepest on the eve of cultural expression of Islamic Philosophical sphere

Erliyani Manik says

It's a great reference book ever for Islamic Philosophy.

Mun says

Good overview, although likely dated. There was some inconsistency in that some chapters were quite argument heavy (my favourite ones) while others ran essentially like biographies or references. Regardless, I enjoyed the work immensely and the sections on specific thinkers (the bulk of it) tended to be excellent. I will certainly be returning to the bibliography often!
