Moving to Oregon: A Bipolar Journey

James Townsend

Moving to Oregon: A Bipolar Journey James Townsend

A graduate student has his life come crashing down as his mental health deteriorates, bringing up all kinds of unresolved issues. Add family drama to the mix with his relationship with his alcoholic mother, and you have a harrowing tale of survival that is both relateable and amazing.

A fantastic read; I highly recommend to all!

Janet says

Moving to Oregon

This story was a bit of a roller coaster ride to read. There are times when you find yourself getting emotional to the journey this character takes. Very interesting.

Mary says

A unique and informative read
