Hosein says

I like some vocabularies that cannot be found easily, but this book has brought a wide domain of vocabulary that is certainly needed for non native English students.

I loved this book and I recommend it to anybody who loves to learn English thoroughly.
please advise it to other folks if you have read it.

Alireza Nazarahari says

If you want to teach every day English to children or basic level students this book can be perfect otherwise I don't recommend it.

Rima says

Interesting book . I really enjoyed browsing it. I recommend this book for English learners
