**The Genius Thieves** Franklin W. Dixon

**School for crime**

A daring million-dollar bank robbery leads Frank and Joe to Chartwell Academy. Certain that the high-tech thief is someone at the exclusive prep school, Frank enrolls as a student, and Joe gets a job as a janitor.

But going undercover on the secluded campus proves extremely dangerous. From battling a raging dorm fire, to being hunted through a graveyard by a masked gunman - the brother detectives find they're up against a brainy enemy who's intent on making a twin killing.

## **From Reader Review The Genius Thieves for online ebook**

**Hannah Belyea says**

While secretly attending Chartwell Academy to investigate a thief using advanced technology, Frank and Joe find danger lurking around every hall corner as someone tries to put an end to their hunt! Dixon will entertain fans with this entry!

---

**Amy Harth says**

Well plotted with lots of suspects and plenty of suspenseful action. Well done in plausibility too.

---

**Dannuel Saùl Delizo says**

Surely way back in that time they didnt know that stealing via computer was possible. Funny.
