The Maddest Obsession

The Maddest Obsession Danielle Lori

She fears the dark.

He rules it.

Her dresses are too tight, her heels too tall. She laughs too loudly, eats without decorum, and mixes up most sayings in the book. Little do most know it's just a sparkly disguise, there to hide one panic attack at a time.

Nobody can crack Gianna's facade . . . no one anyway, until *he* comes along.

Most see a paragon of morality; a special agent upholding the law. In the New York underworld, others know him as a hustler, a killer, his nature as cold as the heart of ice in his chest. Christian Allister has always followed the life plan he'd envisioned in his youth, beneath the harsh lights of a frigid, damp cell. With a proclivity for order and the number three, he's never been tempted to veer off course. But perhaps one should never say never . . .

One winter night and their lives intertwine. She hates him—his stone-cold demeanor, his arrogance and too-perceptive eye—but over the years, even as their games consist of insulting each other's looks and intelligence, she begins to *live* to play with him.

Nowhere in Christian's plans had he ever prepared for Gianna. She's chaos embodied, not his type, and *married*, but none of that can stop his eyes from following her wherever she goes.

All along, she doesn't even know that she's his—his frustration, his fascination.

His *maddest obsession*.

Update:

Those of you who are in my Facebook reading group already know, but I realize a lot of my readers are not. (It's where I post updates about my books, so feel free to join.)

I had a strict deadline for The Maddest Obsession, and unfortunately, I haven't been able to meet it. You don't know how much I wish circumstances were different and that I could already see it in all of your hands.

Throughout the last few months I've been dealing with a difficult pregnancy and the tragic loss of my younger brother. The only thing I've been able to write recently is his eulogy.

While I'm not giving a release date right now, know that The Maddest Obsession has been on my mind and that I do plan to finish it soon.

I found there to be nothing appealing about Gianna.

Slept with Hero from book 1;
Was stepmother of Hero from book 1;
Other mafia men have seen her half naked.

The author is clearly talented so as of yet I am undecided on this.
