Zeke's Rule Sam Crescent , Jenika Snow

Zeke isn't a hero, has never seen himself having a happily ever after. He's been called many things: evil, twisted, sadistic, and dangerous. He is all of those things and more. He revels in them, embraces it, and uses it to make himself more powerful. He is a bad man all the way through.

But then there is Alessandria, a woman chained, crying, frightened. The sadistic part of him wants her all for himself. He'll show her that the type of pain he wants to give her will ultimately bring her the pleasure she yearns for.

Will Alessandria be able to handle the monster inside of Zeke, or like so many others, will she run?

I love Jenika Snow and Sam Crescent book Zeke's Rule this book deserves all 5 stars. Zeke is a very cruel, controlling, evil, dominating man who is not afraid to kill someone. But he is also a man that when he loves he loves hard and with his whole heart. The only woman Zeke ever loved is his daughter but when he sees Alessandria for the first time he knows that she is special. Alessandria becomes the light in Zeke life she is able to give him everything he needs in the bedroom and out of the bedroom. But his not trusting how Alessandria feels about him because she has been through so much and has never really been free in her life. But she knows what she wants and Zeke is everything she has ever wanted in a man he fills her in ways she never thought would be filled. He gives her the happiness she never thought she deserved. When Zeke tries to let her go Alessandria fights him. They go through their ups and downs both have been through so much in their lives but in the end they find happiness. If you have not read this book please read you will not be disappointed.

***Dee's Reading Time Matters says**

Zeke was a monster but his story was told with compassion yet at the same time - no remorse! As a young boy he was raised to became a dark and cold man due to his abusive and drug addicted parents. It was so hard to read how his parents treated him but Zeke's gritty story was so worth the wait!

ALTHOUGH his heart was a few sizes too small, his sadistic love for Alessandria change him on so many levels. Yes, Zeke and Alessandria were made for each other!

A story about a viciously abused boy who grows into what we are told is a monster of a man at the center of many illegal activities. However, this monster saves a girl from a life of slavery (all the prostitutes he employs are there willingly and very well treated), falls in love with her, dotes on his own daughter from a previous relationship (who is older than his new girlfriend) and her newborn baby, his grandson.

I think this book was more about a monster with a heart of gold and the story maybe a little too tepid for me.

This was a really good book one that I completed in one sitting. Zeke is not a nice man after being physically abused as a kid by his father and neglected by his mother both of them being drug addicts he grew up tough after reading about Zeke in the Soldier's Series I knew that I had to read this book. Zeke has only loved one person his daughter Dani he would do anything to protect her and although she is married to Shakes he still has men watching her and he has to come to terms with the fact that she is going to have his first grandchild and he is even starting to like Shakes. When Zeke gets a new shipment of girls he notice one has been roughed up and her hands are tied behind her back and what does he do he shoots the men that brought her to him he knows something is not right she didn't want to be there. Alessandria doesn't know who Zeke is when she looks into his eyes she knows that he is not a good man especially when he kills the men that brought her their. Alessandria is only doing what her lowlife pimp wants her to do to get info on Zeke and send him all the money that she makes. Zeke feels the need to protect her to make her his and to kill the man that did this to her she thought she was in love with Gerald until her pimped her out and beat her for escaping. This was a good book although I did think that it was going to be darker than it was. Zeke is not a man to be messed with and her runs hi empire with an iron fist as the people who thought they could steel from him learned. I liked that he didn't force Alessandria to have sex with him or even stay after her got rid of Gerald. I also liked that he fell in love with her before they had sex. Alessandria also had a secret she liked pain with her pleasure and Zeke liked to give it. This book was well written with no errors in spelling or grammar like the rest of the books that these author have written. I can't wait to read the next book in this series or the Soldier's series.

Confessions_of_a_Serial_Reader says

Fans of the Soldiers of Wrath MC series are not strangers to Zeke. We know him. Or at least, we think we do. ZEKE'S RULE shows proof to the fact that. Nothing is what it seems.

Can Alessandria, a damaged beauty crack the ruthless black hearted kingpin? Is Zeke able to love someone other than Daniella?

All-in-all ZEKE'S RULE is a great quick read. With all of the books in the series, you wish it was longer...because they are that good.

My Confession: I just love it when a villain gets redemption.

Review To come...**2.5 stars***

Janette Lopez says

This may not be everyone's cup of tea. I really enjoyed this we now see Zeke has more sides than we have seen the the Soldiers of Wrath books. I know his job may be frowned upon but it is who he is. I was always interested in The bad guy who made the SoW miserable. I am happy he got his book.

The woman he falls for is hurt but not broken. I like how he builds her up to make her stronger. He doesn't want her weak and helpless. Like I said this book may not be for all but I loved it and I hope his right hand man Bosco gets his story.

****this book has a teaser for Strikers book and I cannot wait for that to come out!*****

Expresso-Girls Just Wanna Have Books ; A Mafia Romance says

Dark and dirty! Just like I like'em!

Zeke is a man of few words, lots of baggage, anger issues, and bad things he's involved in 24/7. However, one thing redeems him.....his need to protect those unable to protect themselves.

Enters Alessandria. Alessandria was betrayed in the worst of ways and Zeke is determined to fix this broken woman. This is their story!

Five stars for this dark and dirty HEA!

Chitra *CJ* says

What an Intense story.

Zeke is a dark man. Sociopath, father, pimp. With a dark, abusive past.

Alessandria is a masochist who gets sold into prostitution by her ex who turns out to be a pimp and misuses her love for pain. She gets raped and tortured and that's how she ends up with Zeke.

When Zeke gets a new "prostitute", he senses something different. He goes with his gut instinct and finds his woman.

This was an intense and dark love story. I believe the heroine suffered from PTSD. However, Zeke took her under his wings and that helped heal her.

Both characters are broken, scenes are intense. I like how they heal each other. Sex scenes were few but well written.

Safe ?? (view spoiler)

3.75/5
