Boys Over Flowers: Hana Yori Dango, Vol. 30 Yoko Kamio , ????

Just as Tsukushi thinks she can attend school unnoticed, the entire school starts bullying her and she finds herself in a love triangle with the two most popular boys, that's when the real trouble begins!

Tsukushi is drawn into the drama of the business affairs of the rich Domyoji family. This puts Kaede, Tsukushi's sworn enemy, in the tough position of having to show Tsukushi gratitude. Tsukushi's trip to New York takes another shocking turn when someone close to her admits his true feelings for her!

Snow says

reviewing for Good Comics for Kids

Sarah Evans says

I was a bit worried this series was going to stall out. I mean, 30 volumes of will-they-or-won't-they could be tedious. But the author always manages some new twist that keeps us going. This time, it's a surprise confession from Rui, our heroine's first crush and best friend of her true love. I really enjoyed this volume because the situations were a bit calmer and more realistic so I felt I had better glimpses into the characters. But it ended with some outlandish kidnapping, so the fun goofiness will be ensuing in the next volume.

Miss Ryoko says

TEAM RUI!! TEAM RUI!! TEAM RUI!! I-I mean.... TEAM KAZUYA!!

LOL!! Wow I was nearly tearing the pages out of this volume I was turning them so fast!!

Now that 30 volumes have come and gone and the characters have changed both in looks, style, and personality, I have come to like Rui a lot. And much like Harry and Hermione, Tsukushi and Rui just make sense as a couple. And very much like Ron and Hermione, Tsukushi and Tsukasa do not! I try to keep my personal feelings out of it and look at the relationship from the relationship point as opposed to the two characters in the relationship so my disapproval and Tsukushi and Tsukasa's relationship has nothing to do with how much I dislike him (after all, in terms of Ron and Hermione, I LOVE and ADORE Ron...but they are the worst couple ever). But they are just an awful couple. Two different worlds, neither one of them willing to give up even a little bit to make the other feel comfortable... plus they are ALWAYS so awkward around each other. And being with Tsukasa makes Tsukushi's life so hard. They are just all wrong for each other. Now Rui on the other hand... he and Tsukushi go together so well. She's just an idiot for being like "yeah, I love Tsukasa now" because 1) I *still* do not believe she's in love with Tsukasa and 2) I cannot believe that even though she moved on from Rui, there isn't still a part of her that loves him.

I am not the manga-ka so obviously my opinions are just that... but even once this series ends, I will still hold firm to these opinions. Especially when Tsukushi ends up with Tsukasa >_< Lol

Danyka says

I'd watched and liked the anime version when I was still a kid.

For now, I got no plans for buying a copy.

Katelyn Callahan says

Ah, so much happens in this volume! Tsukushi does something that causes Evil Mother Doumyouji to be in her debt. Despite deciding to end their relationship, Tsukushi and Tsukasa get to spend one last day together. Rui loses his wallet and decides it's the right time to confess his love to Tsukushi.

Caroline says

This is a great series, and the latest book is not one of the best but it is great. Tsukushi is in New York with Rui Hanazawa, trying to bring Tsukasa home. Will it work? And what does Rui have to say about everything?

V says

Why does Rui always have to fall for the unavailable girls? First was Shizuka and then Tsukushi. He is a sweet and gentle soul, I think he loves so purely but he is so unfortunate to always be in love with the girl he can't have. He was always there for Tsukushi because he was in love with her and yet it is his best friend that is meant for Tsukushi. Oh Rui...

What Tsukushi did in helping Kaeda get the business deal was just really lucky. Haha. Anyway, I hope she will soften up to Tsukushi eventually since her son is terribly in love with Tsukushi.

Jessica Ravenski says

ini episode sedih banget sih. dah, gitu aja.

Ana Luisa says

Ya empieza a oler a final... ¿Por qué? La historia parece que toma su final feliz pero, en los mangas, he aprendido a no confiarme ٭٭.

Lauren says

There was something in the way all of the characters came together that I found irresistibly compelling about this series. It did remind me a lot of Ouran while I was reading it and maybe that is why I liked it so much. Tsukushi is an interesting protagonist, I loved when she started taking action and sticking up for herself.

While I wasn't overly fond of the artwork style I was able to get past it because I my love for the storyline. This is an honest story with twists and turns, ups and downs, but then again that is real life.

I would really recommend watching the anime too!

Valleri says

And just like that, we've hit another snag :(

Zahra says

Vaya, vaya, solitos en un barco 7w7

Nidhi Bhatt says

Whoa! Rui's got guts... Tsukasa is upset about whatever his mom has threatened him with. Anyways a fun volume.

All of the characters have grown so nicely through the whole series!

Violet Sakura says

When I think I've already read 30volumes of this manga, I can't believe that! At first I didn't want to begin it. Now I just don't want to finish this. I've already grown to like all the characters so much! I'm going to miss them a lot!

This volume... was very sad. All about goodbyes, giving up fillings, trying not to cry, trying to hide feelings...

I didn't expect Rui to really fall in love with Makino, announce the fact to Domyouji, then say to Makino, that seeing her smile would be enough for her!

Makino is one of the greatest female characters I've ever read about! So strong, independent...that's why every boy in this manga is crazy about her :)

The plot is moving perfectly! Haven't bee bored even for a page!!!

Phoebe Andamo says

ugh

Hanazawa Rui, don't break my shipper heart. I shipped you before but now it's not good to interfere with my new otp.
