Captive Hearts, Vol. 03 Matsuri Hino , Andria Cheng (Translator)

R to L (Japanese Style)

Carefree Megumi Kuroishi was living a life of luxury until the day a girl named Suzuka Kogami walked into his life. All of a sudden, Megumi finds himself kneeling at Suzuka's feet and prostrating himself like a servant! What Megumi doesn't know (until that very moment anyway) is that his family is cursed to follow the orders of the Kogami family.

Megumi sets out to China to find a cure for his curse, but it appears that even his health worsens if he is away from his master. Meanwhile, a maid in the Kogami household swears to make Megumi hers!

Captive Hearts, Vol. 03 Details

Daniellesof2014 says

Megumi Kuroishi has lived a life well until the mistress of the household returns and the curse bestowed upon his family returns. The girls name is Suzuka Kogami. The curse made Megumi serve Suzuka for eternity and others of his family as well, but Megumi doesn't mind because he is insanely in love with Suzuka and she feels the same way about him.

This book reminds me about twilight because Bella and Edward couldn't live without each other and they found it hard to live apart from each other. Well Megumi and Sazuka feel the same way about each other but they only difference is that if Megumi goes too far away from Sazuka he dies.

I give this book 5 stars because I thought it was extremely nice and romantic. It also had some funny parts to. I would recommend this book to anyone who likes romantic stories (in comic book form).

April says

This is my favorite of the 4 Captive Hearts manga I read

Luna says

Overall Series Rating 2.5 Stars

I like the artwork and this sounded cute... so I kept at it.

I have a stubbornness about finishing stories (I should let this go) but the characters in Captive Heart feel flat. I read MeruPuri by the same author and had real problem with the relationship dynamics, I've got similar problem in Captive Hearts. Both Megumi and Suzuka are entirely too accepting of "the curse". Once you get past volume 1 everybody just seems to go along with the fact that the two of them are in love (except for a brief concern from Megumi's mother).

Lady Entropy says

Slightly better than the previous maybe because most of the book handled the original tale, set in medieval

times, of how the ancestor of the main protagonist got cursed. The main romance is still as dull as ever.

That and it had a really sweet, really nice Xmas romantic tale that made the book worth reading.

R says

Love learning about the curse and loved the one shot at the end of the volume! The family Dynamics are so fun too! I love Megumi's mom!

Em Mirra says

Pending.

Melissa says

Kuronekomaru is freaking attractive. Just sayin'.

Dyah says

Hahahaha... what did I just read?
You're so ~~childish~~ cute! =))

Athena says

This series is a very silly easy read. Not as in depth a read as vampire Knight also by matsuri hino but it was OK.

Rhenda says

3.5 Stars

Stephanie says

I want to read it!!!!!!!!!!!!!!!!!!!!!!
