**Her Christmas Wish** Kathryn Springer

To: Uncle Eli

From: Olivia

Dear Uncle Eli,

I don't think Daddy is getting me what I really want for Christmas—a mommy. He's been sad since Mommy died, and I want him to be happy again. And ever since Leah, my new nanny, came to stay, he's been smiling more. She's really nice. She makes cookies with me and takes me to church. I think Leah is perfect for us. I told him he should marry her, but he's busy with his carpentering stuff. Maybe he'll listen to you? Tell him my Christmas wish is to have Leah with us, ALWAYS.

### **Cheryl says**

A beautiful Christmas story! Really am enjoying this Tiny Blessings series even if it was out in 2005!!

---

### **Ginger Baerg says**

Great Christian love story. I really like this author. Her books challenge my faith as well as entertain me.

---

### **Judy says**

The 5th book in Tiny Blessings had my eyes weeping more then the previous 4 which I went through plenty of kleenex with them as well!

Leah and Ben's story is great as were the previous 4 stories. I can't wait to read the next book.

---

### **Kate says**

The two main characters in this book, Leah and Ben were introduced to the readers earlier in the series, and to be honest, especially with Ben, I thought the series would take a different turn than it did. That's not to say that I didn't like the way it turned out, even if it was a little 'predictable'. Ahh well, more of the mystery that's been building since book 1 has been revealed, and it looks like the final piece will be given in the next book. I'm looking forward to that!

---

### **Deanne Patterson says**

Do 60 year old nanny's get to retire ? Ben doesn't think they should especially when it's the nanny that has been caring for his daughter, Olivia since her birth 7 years ago . His wife was unable to have a child so they adopted a newborn baby from an agency, sadly his wife died shortly after her birth. The nanny left and Ben had no replacement for her . When he called the agency for a replacement a young lady is sent to his house. He's pretty unsure of her experience so he temporarily hires for a month trial period. Unknown to him his new nanny, Leah has given a child up for adoption to the same agency when she was a teen and it turns out to be his daughter . He doesn't know it's his new nannys daughter . She wants the opportunity to be around her daughter and is afraid if she mentions that it's her daughter he'll tell her to leave. When he finds out that it's her daughter and she hasn't told him he feels betrayed by her and tells her to leave . By this time they have developed feelings for each and ,Olivia adores her and wants her for a mommy. Ben asks Leah to marry him and Olivia is so happy to have her for her mommy.

**Crissi says**

I bawled like a baby! lol

Great book, heartwarming, entertaining & I learned a thing or two about my own Faith :o) I just love her Books!!

---

**Kathryn Steffen says**

LOVED this book!

---

**Lynda says**

Expecting to interview a grandmotherly-type nanny for his seven-year-old daughter, carpenter Ben Cavanaugh was shocked when Leah Paxton arrived shattering his prepared image. Hesitant and behind in his work, Leah was offered the position on a trial basis. Olivia quickly bonded with Leah and with Leah's direction, changes were implemented bringing smiles and structure in the lives of Ben and Olivia. God-loving Leah with her off-beat humour held a secret close to her heart fearing its revelation would destroy the happiness of all three.

"Her Christmas Wish" was a heartwarming story of three lonely people in pain, struggling each in their own way until together, the threads of faith, love and support created a deeper connection. Adoption and the power of God in one's daily life played major roles in this story providing hope and encouragement that everything in life was planned and had a purpose. An irresistible child's Christmas wish made this a "feel-good" book.

---

**Melissa says**

2.5 LI Tiny Blessings series. Ben hires a nanny for Olivia.

---

**Janie Rhodes says**

It's such a sweet book. It was a little predictable, but I loved the plot. I hurt when the characters hurt and smiled when they were happy. Great book!
