Lil' Mama Fell in Love with the Plug Toy

Raheem, the sexy tatted successful businessman, was a woman's dream and the street's worst nightmare at the same time. Unbeknownst to most, Raheem was The Plug and ruled the streets with an iron fist alongside his best friend, Jabba. Raheem's first priority was to have a hand in raising his four boys, keep the streets in a choke hold and find some peace in the only woman who had truly captured his heart, Yvette. However, co-parenting with the baby mother from hell, who refuses to let go, wreaks havoc on the relationship with Yvette.

Terri is the epitome of wanting your cake and eat it too. Terri is not ready to let the security blanket of Raheem go, causing her to bring nothing but drama and more drama into the lives of Raheem and Yvette. Terri strings a web of lies and deceit in order to secure the bag, with no regard for the people who will get hurt along the way.

Yvette is a young teacher who is determined not to fall in love again after a heartbreak she suffered while in college. Yvette couldn't catch herself from falling once Raheem came in and snatched her soul. What was supposed to be a casual sexual relationship turned into her finding the love of her life. It appeared that Terri had won the war when one of her antics had Yvette running for the hills and leaving the man she had fallen in love with behind. She meets a man who wants nothing more than to have Yvette as his woman; however, nothing is certain when Lil Mama Falls For The Plug.

This wasn't what I expected but still real good

It is crazy how Yvette and Raheem just picked up where they left off. It is even more crazier how is baby momma and Diesel didn't take the hint that they were not wanted. I can't wait to read what happens next because that last ending with the gunshots were totally unexpected

Jeanida Luckie-Weatherall says

Enjoyed this book from beginning to end, it was loaded with drama and craziness and didn't stop until the end, but you know it's more coming. it was nothing but suspense and it moved at a fast but steady pace and didn't take away from the storyline or the plot. From the beginning it was twist and turns and captured my attention throughout waiting to see what happened next. Can't wait to see what unfolds with this series next and all the craziness that's gonna unfold in PT.2. Good job To

Taz Will says

Nothing to this one because you don't see the relationships develop so there's no connection there. The stuff with Diesel came off as left field because of this so again you don't get or understand why he's reacting the way he is. It's okay but it seems like there should be another story before this to introduce you to the characters and their situations.

YVETTE RIVERS says

Awesome Read

Wow what a Storyline...Yvette is my favorite character ,not only does she have my name but she is a strong fierce and has a courageous personality..This author nail her mark....Well defined dramatically entertaining with some curves, twist and turn ...I'm rooting for her and Raheem to get though the baby momma from hell....Diesel is a psycho.....love the steady flow ...OUT FREAKING STANDING

Terry Young says

was normal.smh And Papa R really dude, approaching your son women to be closer to him. That spit is stupid as hell, too. Y'all too deserve each other. I hope Heem and Vett are ok because they keep each other level. Oooooohhhh I hope they burn D just like he did Vett house.

Man Rah is that nigga for sure. Yvette was just right for Rah. Teri trifling but knew Rah wasn't the father of the last two. Diesel is crazy as heck. Dookie said get that money. Jabba and his wife is crazy as heck. I wonder where the shots came from. Please don't take long for part 2

M4queen says

Wow

This book was beyond crazy Rahmos and Terri where trifling. Terri should have just let go but her deranged behind just had to keep making trouble. Glad that Yvette and Raheem where able to get back together. Hopefully they can keep it together. Even after all her secrets are out Terri still has the nerve to run her mouth. So glad that Yvette finally ran up on her hopefully the shots hit one of those snakes instead of Raheem or Yvette.

Terri was a selfish whore. How u got four kids and two belong to your husband and the other two belong to your father in law. Granted she didn't know but lord..... Raheem is about to go on a killing spree. Diesel is waiting on his fate to come. Good read. On to part 2.

Aleisha says

Fiyah ?????*****

Loved it!!!! I love Yvette and Heem together, they are the perfect couple. Diesel was throwed off for real, like who burns down someone house like that. He kept poking the bear, Heem, now he gonna come up missing. Terri was really in denial about the boys dad being related to Heem. Like you really messing with his dad, ugh. Yvette was on Terri but, lol. I wonder who started shooting. Part 2 here I come
