Night's Deceit

Sela Croft

Night's Deceit Sela Croft
Evil's deception may be a trap!

The evil Fae Princess lures an innocent girl to the dark side.

Callie is trapped in Fae territory with betrayal on all sides. Vampires surround her, craving her blood. Her only friend tells secrets that put her in danger. Her sister Rosamon is lost and helpless, yet Callie struggles to rescue her.

Logan must save his kingdom. His attraction to Callie pulls him away from his duties. Betrayed by family and targeted by the evil princess, he battles for survival. His kingdom is depending on him. But the darkness threatens to overwhelm his powers.

Will the darkness of the Fae realm swallow any goodness in the world?

The Vampire Prince fights to save the vampire race. His attraction to Callie pulls him away from his duties. Betrayed by family and targeted by the evil princess, he battles for survival. Vampire magic is the only hope to overcome the evil that threatens the empire. Yet enemies of the realm have magical gifts that could wipe out the royal vampires, forever.

ARE YOU A FAN OF TWILIGHT AND A SHADE OF VAMPIRE?

You won't want to miss this tale of VAMPIRE MAGIC! You'll be lost in Shadowland and immersed in a story filled with love, betrayal, secrets.

Rebecca Brice says

The second book in the Vampire Magic Series. Here the story starts right where you left off in the first book. There is more character development- especially with the Vampires, and you get to meet some more characters in the series (some good and some evil).

I did enjoy reading the book and can't wait for the next instalment as it is left at a cliff hanger, the adventure is really just starting.

Will Callie and Logan's relationship last or continue to blossom? and Will Noah get to find his crush Rosamon (and Callie's Sister).

Sela Croft says

The vampire prince Logan Bayne embarks on the adventure with Callie to find her sister. An evil Fae princess is in pursuit, because it seems that Callie's blood is special. And her ability is vital to cast the spell to wipe out the vampire civilization. Then the darkness of the Fae will rule, blotting out all goodness.

Night's Deceit is Book 2 in this 5-book series of Vampire Magic.

kate...I says

great

another good read by sela croft , ill be straight on to the next one as soon as possible. if you love a shade of vampire you will love these books

Lejla says

I have just love for this book.

I can't wait to know what happens in next one. So I am going to start it as soon as possible.

Vampire magic

Nights Deceit has draw me in to this series much more than the first book! I need to see what Callie ,her twin and the Prince future holds..... book 3 here I come!

Donn Ham says

As with book 1, I could not put it down. So many twists and turns and a shocking betrayal!!! I can't wait for book 3!!! I don't want to say any more for fear I will give too much away!!!

MRS C MARSHALL says

I am ARC reader for the author.

What a great exciting book this was, once again, full of adventure, couldn't put it down.
A twist, you really are drawn into the book, and cannot wait for the next chapter.
Now I am waiting for book 3 I am so excited wondering what will happen next.
Hoping you enjoy the book as much as I did.

I have voluntarily read and reviewed a copy of this title given to me by the Authors Cross Promotion Elite Readers. Night's Deceit is the second book in the Vampire Magic series and what another great installment in this series. This book was just so easy to get lost in and I look forward to reading the next book in the series.

Kokom1 says

Ok, so book 2 is heaps better than book 1. Full of action. Faster paced. Characters have started making more sense and become more interesting and complicated. A good read.

Marissa says

I received a copy of this book from the author.

Night's Deceit is the second book in the Vampire Magic series. It picks up immediately following the events of the first book, so it is highly recommended that those interested in this book pick that one up before reading this one. Callie finds herself in the last place she wants to be - the elusive fae territory. In the meantime, Logan finds himself having to prepare to fight to protect his kingdom. Those closest to him aren't what they appear. Callie eventually makes her way to Logan and their bond continues to grow. With Logan distracted by the struggles in his kingdom, Callie grows concerned that no one is taking the time to search for her missing twin sister. She is approached by someone willing to help, which leads to her getting seemingly closer to finding her while making a big enemy of the fae princess. Readers wind up gaining a bit more insight into fae side of Shadowland. One thing I appreciate about this series is that the author is taking time to develop the relationship between Callie and Logan. If you liked the first book, I recommend picking this

one up. On to Book 3.
