## **The Appomattox Saga Collection 3** Gilbert Morris

Savor the four unabridged novels that complete the acclaimed Appomattox Saga by bestselling and beloved author Gilbert Morris. The end of the United States' most terrible war is the backdrop for adventure, romance, and power of God to move amidst tragedy. Two women seek answers in Virginia to secrets in their pasts, finding the love of noble men along the journey. Two soldiers in Mississippi struggle against the evils of war and in its midst find women who are worth fighting for.

## **Rebecca Rash says**

The last in the saga and probably the best.

---

## **Carrie Brown says**

His books keep you wanting more. He disappointed me by not finishing the series, though. He left off in June of 1864. If this was called Appomattox Saga, why did he not finish at Appomattox in April of 1865? Other than that I loved these books!

---

## **Diane Terrell says**

### **Best series i have ever read**

This series is full of history and romance. Excellent read. Worth the investment and very easy to read I have read the whole series and highly recommend it

---

## **JMBooher says**

### **Great Book!**

The way Morris goes from person to person and makes sure we know where they came from. I loved the whole series!

---

## **Allen Jeffreys says**

A continuation of the Rocklin family during the War between the States, The books included in this book were WALL OF FIRE, STARS IN THEIR COURSES, CHARIOTS IN THE SMOKE, WITNESS IN HEAVEN

---

## **Mary Ann Zimmerly says**

**Excellent Historical account of families faith .**

Excellent, heart wrenching in depth up close and personal struggle of the families participation and amazing faith during our northern and southern conflict. Never have I had the honor of reading a spellbinding account of the power of faith in Jesus leading these pioneers during wartime.

---

### **Jennifer says**

#### **More please**

I loved part 3 as much as 1 and 2. I want more! I want to follow the Rocklin family for decades. These books pull you in, make you feel as if you know these characters. It's as if you're looking through old photographs and an elderly family member is telling you stories from long ago. It seems so much more than a fictional story.

### **Elaine Atkins says**

#### **Good book**

Enjoyed reading this book. Nice to have a good story without bad language and smut. It is predictable, but enjoyable nonetheless.
