## **Vagabond, Volume 19** Takehiko Inoue

Sasaki Kojiro, renowned for his deadly "swallow-cut," is the man destined to be sword-saint Miyamoto Musashi's greatest rival and opponent in the most well-known duel in the annals of Japanese history. But for now, Kojiro has been abandoned by his brutal master Ito Ittosai, and must contend with the vicious refugee hunters and ruthless scavengers that abound in the aftermath of the Battle of Sekigahara.

## **From Reader Review Vagabond, Volume 19 for online ebook**

### **M. Ashraf says**

Now I think we spent too much with Sasaki Kojiro and I want it to go back to the main story. I thought that would happen in this volume especially after the appearance of Musashi in the last volume but :/ we continue.  
Very excited to see the fight and I can't wait no more :)

---

### **Nasser Salah says**

well.....

---

### **Valdir Duarte souza says**

The reading of this volume was kind slow, since it portraits the day after the battle of Sekigahara and the struggle of Kojiro to survive.

---

### **A. E. S. says**

This reads kind of slow but it does pick up in some parts. Tons of fighting of course - all with stragglers leftover from Sekigahara. While Master and the joke-character rest up, Kojiro is on his own kicking ass all night long and not being able to take names (Kojiro = deaf/dumb!). Refusing to give into his exhaustion, Kojiro faces the most formidable opponent he's had so far and at the cliffhanger is proving to be quite the match for him.

---

### **Nicolo Yu says**

This was relatively sluggishly paced but still a strong volume.
