Fascinating reading

I enjoyed each and every book in this collection. There are many characters I want to know better, and a few I've fallen in love with.

Janet Swiftbird says

You've got to change your evil ways

The first few stories where intriguing, the last few where ok.
Sadly for me the good continuing stories where not of kindle unlimited

Stephen says

I found most of the books in this collection a great read, just one or two were a waist of time. All in all I say you will enjoy this books and will be looking for the next ones in the series. Good Reading Everyone!!!!

Great Read

I enjoyed all the stories in this collection. Each one offered well thought out characters with interesting and entertaining plots. I was sorry to read the last one.

Tracy says

I really liked Blaze/Tranquility by Krista D. Ball & Avarice/Pyrh Considerable Crimes Division by Annie Bellett the most in this set. I'd read Annie Bellet's The Twenty-Sided Sorceress books before and really liked this. Blaze/Krista is a new discovery for me.

Harukahitoriki says

Like most anthologies, a mix of good and bad. Some I liked, some bored me, none were really outstanding

unfortunately.

James Hunt says

Interesting reads

Very different styles and concepts. Enjoyed stories. The different world concepts styles and settings make it an interesting read. Good authors, but different.
