### Jackie Lane says

Even though this story was super short, it still was packed with lots of story.

I so love Elli and Adler and can't wait to continue with this series.

This is the story of Elli having her twin boys, the love Shea feel for Elli and the fact that he is not done with the size of his family and would like Elli to have at least one more child and he manages to work his magic and she agrees to revisit it in one year.

5 stars

What can I say except that I **LOVE** Elli and Shea Adler. This was a cute bonus chapter about what Elli and Shea have been up to. It also set up the premise for the next book in the Series....Blue Lines. I can't wait to read it!!!!

I soooo love Shea Adler! This was a great little bonus chapter from both Elli and Shea's pov. It also sets up The fourth book in the Assasin's series: Blue Lines, due in December :D

I couldn't resist reading this short story even with the wrong order. I just wanted a little more of Shea and Elli.

This was a sweet short story showing us their married life and their kids. It had some real beautiful family moments.

Completely adorable, and if you've loved their book, you will definitely want to read this ;)

Shea is my book boyfriend....but... you know how when you are 26 and the guy you are into says he can't wait to have lots of kids and you swoon and start picking out names for all of the beautiful little babies you will create with him???? Well, when you're 36, like me, you want to tell Mr. Hottie he had better grow himself a uterus to house all those parasitic fetuses (feti? Lol). That's how I'm feeling about Shea Adler right now. I went from 26 to 36 in the time it took to read this short story. I never EVER thought I'd say this... but I feel sorry for Elli. I know, I know, I've been vocal in my hatred for Elli, but, damn Shea, listen to the words coming out of your wife's mouth.

Thank you Toni Aleo for giving us a little something to hold us over until Piper and Erik's story comes out in December. I was missing my Assassins. What with the bonus epilogue to Falling For the Backup and this short story, it felt like Christmas!

**Super cute mini story!!** Was like 29 pages!

Shea's so funny wanting to have another go for another baby!! I mean, two girls and now twin sons in three years! *Yikes!!*

I seriously can't wait for **BLUE LINES** to come out!! That's the book I've been just waiting for but the release date kept getting pushed back! Was so depressing.

Hopefully, the tour host I've been working with hears word from Ms. Aleo since she told me that she's supposed to host a blog tour for **BLUE LINES** so I hope that I can join!!

*I want to read about Piper and Erik so bad!!! \*cries\**
