A New Year's Surprise Violette Dubrinsky

“‘Tis the Season to be jolly” her ass! What was so jolly about finding out that your college sweetheart turned husband of three years and father of your six month old is a low-down, dirty cheater? So jolly? No. Pissed? Yes. Heartbroken? Absolutely. Looking for answers? Most definitely. With her two best friends at her side, and a whole lot of righteous anger, Catherine “Kat” Rochester confronts her husband and his mistress on New Year’s Eve.

From Reader Review A New Year's Surprise for online ebook

Kim says

Kat and Damien, scions of two prominent New York families, were college sweethearts who married despite their families' misgivings. Their marriage has been the envy of their friends--until recently when new mother Kat senses her husband is keeping secrets from her.

A New Year's Surprise is a holiday romance about what happens when idle talk and misunderstandings puts a couple's love to the test. Kat and Dam's love came through quite well in the story--though both of them tried my patience on more than one occasion--which is good. If I always loved every decision a character made, I would be bored and there were no boring moments in A New Year's Surprise. (Unless you count Kat's mother's New Year's Eve Party, which even Kat and Princess agreed was very, very boring.) While I liked A New Year's Surprise, I found myself getting annoyed with Zaire, one of the secondary characters and one of Kat's closest friends. I wanted to see her become a more fully developed character after her explosive introduction into the story.

A quick holiday read with some sexy moments, A New Year's Surprise was fun to read. I'm looking forward to checking out a few more books by Violette Dubrinsky.

Crystal says

I really enjoyed it

LastBreath says

Warning: I can't find any more books by Violette Dubrinsky available for purchase on Amazon!

I enjoyed this short read. So much so that I looked at buying a couple more Kindle books for my collection. However, it is with a heavy heart that I discovered that a lot of Violette's work, and her website, has been locked. I hope she is okay and that life is treating her good.

Connie says

Loved it! I have read novels with 200+ pages that did not pack an awesome story, the way this author did, in 65 pages! Lots of conflict, laughter and surprises! Kat Rochester lets a well-meaning, but misguided girlfriend talk her into confronting Damian, Kat's husband, and Damian's "mistress". Kat thought her husband was having an affair and let her best friend, Zaire, talk her into going to Vanya's apartment. What happens after that is hilarious but heart breaking. They all quickly and painfully learn that things are not always the way they appear. Only drawback: Way too much profanity from the secondary characters. Great

story!

D says

This short story provided the perfect example of what happens when you allow others to influence your decisions in your marriage. Marriage is a partnership between you and your spouse. It's not wise to allow outside influences to determine how you interact with your spouse and what you should believe without having an open dialogue with the person that matters most. I'm curious about Zaire and Gavin and wanted to know their story. Something tells me their book might set my hands on fire!

Texas Diva says

Get the facts

This was a story of well meaning, misguided, ill informed, meddling friends. Kat's friends think her husband Damien is cheating. Kat kinda believes it too. Damien wants her trust. The fireworks begin. laugh out loud scenes. hot sex scene. hilarious friends and a too sexy best friend of Damien leads to what? A great connecting book. A very good short read. Cannot wait til Gavin and Z's story.

Tash says

This was my first time reading anything from this author and I was pleasantly surprised!

It was hard to watch this couple go through the emotional breakdown that some families go through. A lot of it had to do with the miscommunication and the lack thereof. With that being said, I don't want to give out too much of the book. Let's just say I'm a sucker for the "happily ever after" endings!

Norma Smith says

A funny quick read for anyone looking for a sweet I/ R. Romance. Damien and Kat are a loveable pair, that is so funny when Kat shows up at the apartment where her husband has been going to for the past few months. With the help of her 2 best friends, things go from bad to worse. This is a short read but well written. The 3 other characters make you wish the book was longer and that they need stories of their own. A New Year's Surprise is a winner for Violette Dubrinsky. Get this one and enjoy.!!

***Dee's Reading Time Matters says**

Be careful who you listen to... I loved the story but really felt bad for the husband in this novelette

5 dramatics stars...

Mspraise50 says

I really enjoyed Damien and Kat's short story. Riveting from the beginning, it had drama and it does take you on a roller-coaster ride with the emotions too! Valuable lesson in not allowing friends or family members into your marriage, a quick way to get divorced, even if they are well intentioned!!

I cannot wait for Zaire and Gavin's story, I am really looking forward to finding out what their issues are, I am sure we will see a few fireworks there!

DivasoftheSerengeti_Lioness says

Violette has done it again. Damien and Kat have been together for 8 years, married for 3 and have a precious 6 month old daughter. Due to well meaning, but busy body friends, Zaire and Princess, a misunderstanding leads to a showdown. Kat feels Damien is hiding something from her. Once all is said and done, honesty and love prevails.

This is a fantastic short story and well worth the read. The story is well told with the main characters being well developed. I found myself wrapped up in the story and rooting for understanding and redemption for the characters. Violette has a great writing style and her reads are always entertaining. This is a great read and we highly recommend you picking it up today.

Lucretia Garrett says

This was such a quick sweet read. I really really enjoy Violette Dubrinsky writing. I felt so sorry for the husband but can't wait for the next books that will star the friends...too funny!

Deloris says

I want more!

Lorice DeBlanc-Brim says

Waiting for the next book!

What of Gavin and Zaire, what's going on with them two? I sense some chemistry with them two. Loved the ending for Kat and Damien.

Hez says

Nice short read. I enjoyed Damien and Kat. The secret was killing me tho :)... Looking forward to Gavin and Zaire's story.
