Accidental Agent

Amelia C. Adams

Accidental Agent Amelia C. Adams

Five bestselling Western romance authors have created a world like no other - full of fun outside activities, a huge family in need of love, and side characters you will never forget. A world where our characters learn, laugh, and love.

Discover River's End Ranch, a gorgeous "destination ranch and resort" in Riston, Idaho, that is run by the six Weston siblings and their well-meaning, semi-retired parents.

Liz Colby is an aspiring author who works at Kelsey's Kafé while waiting to make it big. When a handsome, mysterious customer comes in and orders a burger, she immediately begins wondering about him, thinking he'd be a great addition to her new novel.

FBI agent Jack Saunders had to get out of LA, so he just got in his car and started driving. When he ends up at a place called River's End Ranch and goes into the diner, he overhears a suspicious conversation, and his instincts tell him there's something about this cute blonde waitress that needs further investigation.

Two mysteries to be solved, and two lonely hearts looking for a home.... just another day at Kelsey's Kafé, where romance is always on the menu.

Pauline Frost says

I love this series of Weston family and friends. As book three in the series this one is about Liz who is a waitress at the cafe on the ranch who falls for Jack who is taking a vacation at River's End Ranch to clear his head. Well written and perfectly paced pulling you in from the start.

Robin Malek says

Love it

Amelia never fails to write an amazing story. FBI agent and writers/authors intermingling and you have the makings for a very interesting story. Speculation and misunderstandings.... whoo whee!

Love says

Fun Romance

This is a great story with funny and heartwarming characters and beautiful story of the unexpected trials and journey we go through to find our happiness.

Vanessa says

liz's overthinking at times can be a bit much

Deb Diem says

Accidental Agent by Amelia C. Adams is a contemporary romance. Ms. Adams has delivered a well-written book. I love the characters. Liz is a waitress and author. Jack is an FBI agent taking time off after his partner is killed. Their story is loaded with humor, spice, with bits of suspense and action to keep readers engaged. I enjoyed reading Accidental Agent and would be happy to read more from Amelia C. Adams in the future. This book is appropriate for all ages. Accidental Agent is book 3 of the River's End Ranch but can be read as a standalone. This is a complete book, not a cliff-hanger.

Linda Walters says

I really wanted to like this story more because it had what I felt was potential. But for me it was so slow it

really killed some of the enjoyment for me. I know it takes time to establish people in a story and there were some sweet and sometimes humorous times. But by the time I was 43% in I was almost screaming for something to happen. It took a little longer and some action did finally come into play. It had to do with a case that Jack had been pursuing for a while.

The story ends with a sweet H.E.A. for Jack and Liz.

Katie says

Fun story!

Marcy McNelis says

Jack & Liz

CAUTION: DO NOT READ AT NIGHT – PEOPLE ARE SLEEPING ~

What is an FBI agent doing at RER? (Especially acute one) Is he on vacation or secretly undercover? Step aside crime solvers and CSI, Liz is on the case. As an FBI agent he is obligated to investigate when he hears someone plotting to get rid of a body – even if he is interested in her.

Debra Hahn says

All mixed up in Idaho

Take one FBI agent and a murder writing waitress in a small town dinner.

On a MT. Ranch, and you have a real crazy mixed up, fun loving mystery on your hands.

Now add fairies and you have one fun who dun it mystery to read.

Erika says

[Jack's partner in the FBI just died during a case, and his boss sent him away so he could clear his mind and get over what happened.

Tamera Westhoff says

Sweet Romance

Jack and Liz are so cute! He's an FBI agent that needs a break and she's a hard-working writer who helps him learn who he is. I love how Jaclyn is in all the books and she is awesome! I hope I hear that he catches El Gato! I want to know!

Diane says**Slow and just okay**

Struggled with this book as the story from each of the leads seemed to run into each chapter without a explanation as to how it got to that point. Won't be looking for another from this author.

Charlene says**This 3rd book in the Rivers And Ranch series does not disappoint.**

Jack goes on vacation to River's End Ranch & meets Liz at the diner. Liz goes Jack to get out of his comfort zone. I love the way Liz & Jack relate to each other. I was happy for more of Jaclyn, she is such a fun character I love that she shows up in each book! I laughed when Jaclyn told Jack she was his mother.

Jen_C says

3.5 stars rounded up.

Cute, clean but with a few errors and cheesy parts.

Cynthia says**Enjoyable**

Jack shows up at the diner lost, he just lost his FBI partner & mentor and was given leave. His waitress Liz helps him. But something click with them. He gets called back to L.A. And she misses him like crazy.
