**Champion's Spirit** Joanna Campbell (Creator) , Karen Bentley

Is Wonder's Champion too wild to be a winner?

Cindy McLean is sure Wonder's Champion will be Whitebrook's fastest colt yet--if he ever gets to the track. Wonder's Champion just won't behave. He acts up in the saddling paddock, chases the other horses in the walking ring, and rears in the starting gate.

But when he runs, he's almost perfect. Wonder's Champion has strength and speed like no horse Cindy has ever seen. But she knows the competition at the Kentucky Bonus Series races is tough, and the colt is going to need more than sheer force to come out on top. Can Cindy get the rebellious colt to behave before he ruins his greatest chance for victory?

## **From Reader Review Champion's Spirit for online ebook**

### **Mikala says**

This book is really good. Although Champion was very spirited, Cindy discovered what he needed. She just needed to believe in him and it worked. The books in this series with Champion in them are super cool, mostly because of his personality and actions. Champion and Cindy have a special bond. I also know why Cindy couldn't get over Storm's death. I went through the same thing with my favorite steer Ralph. I still grieve over his death.

---

### **Ilana says**

A great series for tweens that love horses and/or are interested in horseback riding or racing. Teaches about the struggles of working with animals and the benefits.
