# Diamond in the Rough

*Diana Palmer*

**Diamond in the Rough** Diana Palmer

## A PRICELESS FIND

John Callister and his brother had built a ranching empire in Montana. They'd made their fortune—and they'd made Callister a household name. But now John wants something he can call his own. So he starts over—without the Callister name—vowing to polish a run-down spread in the small, sleepy town of Hollister into a jewel.

But the jewel he uncovers isn't a ranch. Sassy Peale is pretty and shy with far too much responsibility on her small shoulders. She has nothing of value—except her trust, her faith and her love, all of which she offers, without reservation, to him. As John Callister, he could easily give Sassy and her little family a better life. But Sassy knows him only as a simple ranch foreman. How can he tell her that he can give her all she ever wanted, and in the same breath admit that everything she knows about him is a lie?

## **Harlequin Books says**

Miniseries: Harlequin Bestselling Author

Category: Contemporary Romance

---

## **Gail A Ostrove says**

### **Both books were good reads**

I think that Diana Palmer has a way of making you see both characters come together.

Nate in the second book was a very endearing character and you could really feel for him.

---

## **Val says**

Diamond in the rough was so good! Not your usual Palmer story but still really good.
