Each chapter of First French Reader for Students is filled with words that are organized by topic, then used in a story in French. Questions and answers rephrase information and text is repeated in English to aid comprehension. The quick and easy-to-use format organizes many of everyday situations from knowing your way around the house, studying at university, or going shopping. First French Reader for Students makes use of the so-called ALARM or Approved Learning Automatic Remembering Method to efficiently teach its reader French words, sentences and dialogues. Through this method, a person will be able to enhance his or her ability to remember the words that has been incorporated into consequent sentences from time to time. Audio tracks are available on [www.lppbooks.com/French/EFLS/En/](http://www.lppbooks.com/French/EFLS/En/)

### **Melinda M says**

First French Reader for Students: Levels A1 and A2 Bilingual with Parallel Translation (Paperback) by Eugene Gotype is well written. It is easy to read and follow. The audio tracks which are mentioned are available on [www.lppbooks.com](http://www.lppbooks.com) and were a nice extra and help with pronunciation. It brought back some of the French I learned in 8th grade. It will be a good textbook /workbook for students.

I received this copy thru a Goodreads Giveaway.
